BANK HAS FORMAL OPENING of new addition. Officers of the New Lenox State Bank met last Friday to officially open the recently completed addition to the institution. At the same time the addition was built it was planned to give the older building a new face and as soon as a new entrance could be gained into the old bank

workmen began laying brick to give the building a new front. Left to right, Frank Vranicar, secretary of the board; Ernest Oram, Jr.; John Handorf, chairman; Dwight W. Egle, cashier; Archibald Corp., 2nd v.p.; Robert J. McCleary, asst. cashier; Ceward W. Batson, president, and Sheldon W. Hauck, exec. v.p. (Semmler photo)

Mokena School Head To Retire Next June

After 33 years of service in the Mokena grade school system, Mrs. Elizabeth K. Cappel, superintendent, has announced her intention to resign at the end of the present school year, June 30. For more than half of the time -- 18 years to be exact -- Mrs. Cappel has been principal or superintendent.

During her tenure with the Mokena schools, Mrs. Cappel has seen the system grow from a single four-room building to a two-school system with a total of 18 rooms. When she became principal in 1943 the enrollment was 131; the present school population is 421.

To fill the vacancy that will be created by Mrs. Cappel's retirement the board of education is now inviting applications from qualified candidates.

In cooperation with County Superintendent Verne E. Cracker and officials of the Illinois Association of School Boards, the Mokena board has developed a basic set of quali-

cations.

These qualifications, and an information form which applications are asked to fill out, are available by writing to the secretary of the board, James W. Stewart, 11410 W. 194th st., Mokena.

To Spread Cheer At Hospitals

The Amvet Auxiliary of Post 183 at their regular meeting last Thursday decided on the following projects for this year's Christmas giving. They will donate handkerchiefs to the Veteran's Hospital at Dwight, give cash to the Guardian Angels Home in Joliet, and give crayons, coloring books and other small items to the Trinity School for Retarded Children in Mokena schools and in Arbury Hills. Parents are urged to ask their children for the cards so that they may discuss the matter with them.

Police Issues Bike Warning

Because of a recent accident involving a bike rider after dark, Mokena Police Chief Vernon Bormet urges parents of bike riders to check their children's bicycles to see if they have the proper equipment. It is absolutely necessary that a bicycle have a front light and a rear reflector if it is to be operated after sundown.

Chief Bormet would remind parents that it is not only unsafe to operate a bicycle improperly equipped but it is against the law. As a warning to first offenders, their bike will be confiscated and held until picked up by the bike owners parents.

ACTS ON LICENSES

Secretary of State Charles F. Carpenter reports that Raymond A. Hermes, 17130 Harlem, Tinley Park, Steve A. Rydberg, 17607 - 68th Ct., Tinley Park, and Clarence C. Musch, RR 2, Orland Park, had their drivers license suspended for three violations within a year. John G. Stokes, 238 Center st., Mokena was issued a probationary permit.

Area Churches Are Planning Special Christmas Services

There will be a pause Sunday in the hectic preparations for Christmas as worshippers flock to churches in celebration of the birth of the Christ Child, whose coming established the Christian religion.

In addition to the regular worship Sunday morning some churches will have candlelight services and midnight masses, symbolic of the joyous proclamation by the Heavenly Host on that first Christmas and the visit by the shepherds to the infant in the manger of the inn stable at Bethlehem.

Some of the churches also will have services on Christmas day (Monday).

Christmas and Easter are the two highlights of the church year in christendom, and the churches this week-end are expected to be full to overflowing.

There will be midnight masses at St. Mary's church, Mokena; St. Jude's at New Lenox; St. Michael's church, Orland Park. Also at St. Michael's there will be another mass at 1 a.m. and every hour on the hour from 7 a.m. until 12 noon. There will also be a midnight mass Christmas Eve at the Episcopal Church of the Transfiguration, Palos Park, beginning at 11 o'clock with carols. There will also be Holy Communion at 1 o'clock Christmas day.

At the regular Sunday morning service at St. Peter's church in Frankfort the junior high group will give a program, "The Coming of The Light." That evening at 7:30 o'clock the children's department will have

its annual Christmas Eve program, "Messengers of Christmas."

Regular services will be held in the Frankfort Methodist church Sunday morning but at 11 o'clock that night there will be a candlelight service by the youth of the church. The service is open to the public.

The Good Shepherd Lutheran church at Frankfort will present a program Saturday night (Dec. 23) at 7:30 o'clock, O, Come, O, Come Immanuel, with songs and recitations by members of the Sunday school. There will be regular services Sunday and on Christmas morning there will be a service at 8:30 o'clock.

In the Green Garden Methodist church there will be a program tomorrow night (Friday) at 7:30 o'clock. The MYF will supply the talent for the narrating for "Martin Luther's Sermon on the Nativity." The Junior high class is to give a playlet, "Doing Good for Christmas," and there will be recitations and songs by the younger pupils of the Sunday school.

St. John's church of North Peotone will feature an organ and piano recital as a part of the program Christmas Eve, beginning at 7:15 o'clock. Miss Rita Toepper will open the program with organ selections to be followed at 7:30 by Miss Ruth Piggush on the piano. Members of the Sunday school will sing and give recitations.

The New Lenox Church of the Nazarene will give a Christmas treat to everyone present at the 10:30 service Sunday

morning. That evening at 7 o'clock the Sunday school will present its annual Christmas program, under the direction of Mrs. Maxine Stirrett. There will be recitations, dialogs, vocals and musical specials with the pantomime, "Silent Night." Trinity Lutheran church of New Lenox will hold its annual Christmas program for the children at 7 o'clock on Saturday night.

Special music is in store for (Continued on Page 8)

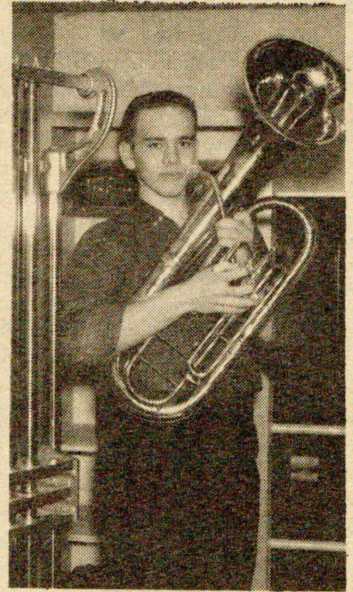

Hold Rites For Father-in-Law Of N.L. Mayor

Benjamin R. Wescott, 86, years old, father of Mrs. Stanley Gilmore, wife of the New Lenox mayor, died last Thursday, Dec. 14, at Silver Cross hospital. He had been a patient there two weeks.

Mr. Wescott was a retired merchant. He operated a store at Montier, Mo., for many years but retired this year and last June came to New Lenox to make his home with the Gilmores at 143E, 4th street.

Besides his daughter, Mr. Wescott is survived by two sons, Robert, of Fairbanks, Alaska; Benjamin, of Springfield, Mo., and three grandchildren.

Removal was to the Baskerville chapel, Lincoln highway, and from there, on last Friday, was taken to Montier where services and interment took place last Sunday, Dec. 17.

CHARLES BALL

L-W Musician Wins Place On All-State Band

Charles "Chuck" Ball recently played in the senior all-state band, under the direction of Weston Noble, the band and choral director at Luther college. The all-state band activity was held at the University of Illinois during the Thanksgiving vacation. The group of 225 students from 225 different high schools

thruout the state, devoted most of the three days to practice, in preparation for the final concert held on Saturday night.

Chuck, a senior, plays first chair and is section leader of Lincoln-Way's bariton section. Out of 33 entries in the bariton section of all-state, only ten were accepted. When those ten tried out for various parts Chuck won first part.

A small group, chosen from the all-state band members, will appear at the Conrad Hilton in Chicago early next year. Chuck auditioned for this group, but the results of his audition are not yet known.

Plan Special Events Night For Jan. 27

Special Events Night of the Frankfort Chamber of Commerce is still over a month away but the committees in charge of arrangements are busy with their plans.

Special Events Night is to be held Jan. 27 at Valley View Farm. Tickets will be \$5 per person and includes dancing. Members have been urged to invite friends, especially those who are likely prospective members.

Preparations for the program are going forward under the direction of the new officers. Grant Geuther, insurance and real estate dealer, is the new president, succeeding Ralph Show. Bob Dean is vice president, Harold Smith is treasurer and Edward Lauffer secretary.

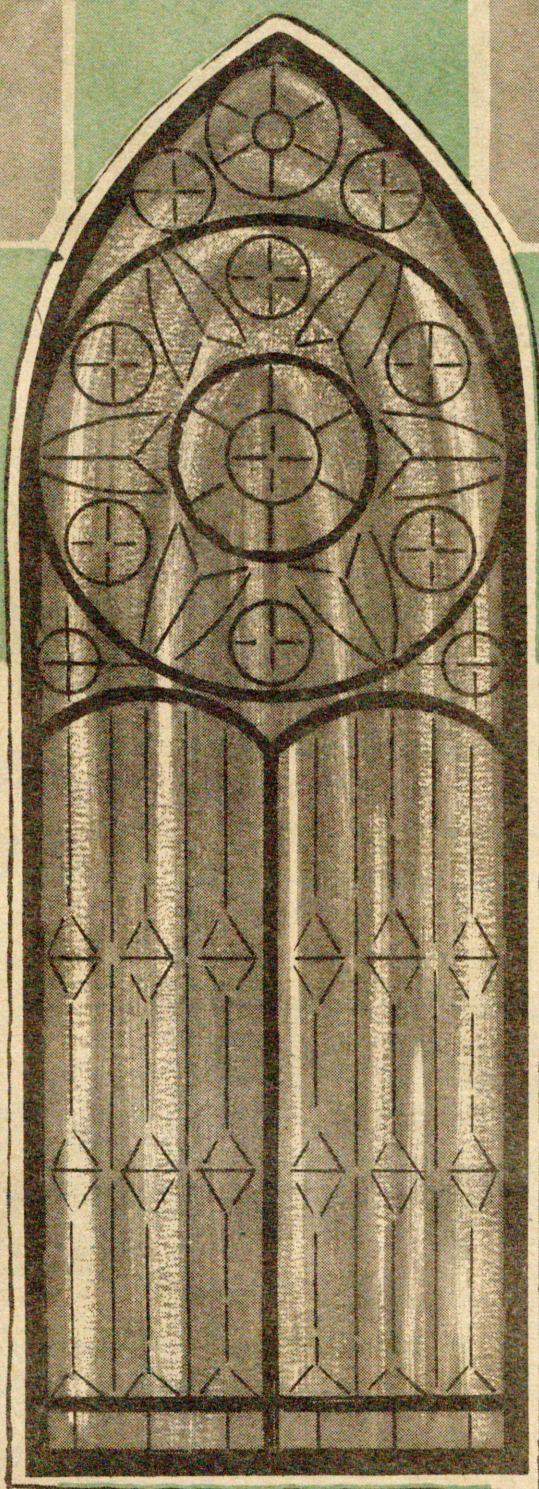

Retiring from the board of directors are Howard Remlein, Ted Lutger and Lee Robinson. The board is now made up of Walter Baumgartner, Burton Breidert, Edward Lauffer, Ralph Show, Harold Smith, Gerald Sager, William Dolph and Grant Geuther.

The industrial committee has been rejuvenated and plans to work in closer cooperation with the planning commissions of Frankfort and Mokena.

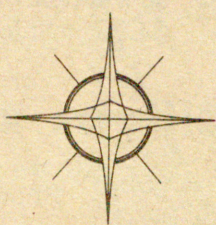

The chamber plans to install lighted arrows at the intersection of Routes 30 and 45, pointing the way to the business section of the village.

GOODWILL INDUSTRIES

The Goodwill Industries truck will be in Mokena on the second and fourth Thursday of each month to pick up repairable articles of clothing, appliances and small household furnishings. Anyone wishing to donate to this organization should call SA 2-5189.

... come let us adore Him!

From all of us to all of you . . .

this wish . . . that the joy and peace of

Christmas will surround you all the year long!

Orland Park Hills

Martin Is Elected Head Of Home Owners Association

GAYLE STEINHILBER
FI 9-9539

New officers were elected to head the Home Owners Association for the year 1962 at a public meeting held last Friday evening in the American Legion Hall.

Roy Martin, 14945 Hale Dr., is the new president. He will be assisted in his task by Roger Frantz, vice pres.; Robert Melrose, rec. sec.; Billy Bishop, corr. sec.; Donald Gromoll, treas.; Chester Kupiec, publicity. The incoming officers will take over their duties on Jan. 1.

Chosen to non-elective positions by the board were: James Day, Programming and social chairman; Ben Gorman, covenants chairman; Dallas McGee, membership chairman. One non-elective office is still to be filled. Any one interested in becoming Athletic Co-ordinator call Mr. Martin FI 9-8334.

A public meeting of the association will be held every other month with additional meetings as necessary, according to Mr. Martin.

Sometime in the near future a representative of the executive board will call on each home owner with a questionnaire designed to acquaint the board with ideas, wants and interests of the group.

The southwest side chapter of the Transatlantic Parents and Brides Association, whose members are originally from the British Isles, held its first meeting on Dec. 8 in Crestwood. Present were 20 members and three guests, mothers here from the British Isles.

The club membership is open to all women from the British Isles and their families for the purpose of meeting together with others from "home" in a strange land and to enable members to visit their homeland. Officers were elected at the meeting. They are: Pat Cresson, South Chicago, pres.; Pamela Apel, Orland Park, vice pres.; Barbara McCarthy, Playfield, sec.; Norah Ferraro, Posen, treas.

Any person that qualifies for this interesting club can get further information by calling Mrs. Apel, FI 9-7958.

Mrs. Marilyn Braasch, of our community, is president of the Suburban Chord-Aires Chapter of the Sweet Adelines. The choral group meets every Tuesday at 8:00 p.m. at Blue Island Community High school, 127th and Sacramento. Other members from Orland Park are Mrs. Rose Carlton and Mrs. Martha Gorman.

The 35 members of the chap-

ter sing for benefits and in national competition.

Mrs. Braasch informs us that January will be guest month so everyone is welcome to attend. Those interested may call Mrs. Braasch at FI 9-2835.

Welcome Wagon Ladies and their guests attended a Christmas party Dec. 4 at the Church of the Transfiguration. Oerlyn Roubick played Santa Claus to the group. Games were played and there was a grab bag. Dolly Gouran won the door prize.

If you know of any new families moving into the area or if you are interested in joining the group, Mrs. Beth Goss, FI 9-8044 will take the information.

Mr. and Mrs. Martin Moore are the parents of a daughter born Dec. 8 at Little Company of Mary Hospital. Carol Jean weighed 8 lbs. 5 ozs. Sister Karen 2, has a new playmate.

A baby girl, Lisa Ann, weighing 6 lbs. was born on Dec. 10 at Mt. Sinai Hospital. The happy parents are Mr. and Mrs. William Borowiak. Paul 5, Steve 4 and Susan 3 welcomed their little sister to her new home.

Little Mark Anthony Churlin, son of Mr. and Mrs. A.J. Churlin, came home from St. Francis Hospital minus his tonsils. He left them there on Dec. 11.

Nancy Jo Simon is home after having been a surgical patient at Silver Cross Hospital.

Mr. and Mrs. Chalmers Wadell were host at a party for 30 friends and neighbors in their new home at 15017 Highland. These folks had helped the Wadells after the fire in their old home.

New neighbors at 15216 Highland are Mr. and Mrs. Lloyd

OPPOSES JUNIOR COLLEGE

A citizens' group for a junior college has been formed (by several high school district administrators) and it is working diligently for the establishment of a junior college in this area. There doesn't seem to be any strong grass roots feeling for such a school but there does seem to be strong pressure from somewhere to educate the voters into thinking we need

Barnett and children Vickie Lynn 14, Allan 6, and Karen 5. The Barnetts moved here from Humboldt, Kansas.

Mr. and Mrs. Theodore Rockwood and family motored to Rock Island to visit Mr. Rockwood's brother, Herbert at St. Anthony's Hospital there.

Mr. and Mrs. Henry Zuidema and family attended a family farewell party in Harvey last week. The occasion was in honor of Mrs. Zuidema's brother, Robert Duscil, who was to leave on Dec. 14 for duty with the Army.

Ralph Eddy is Food Manager at Morton West High School in Berwyn where he and his family attended a Christmas party recently.

The Eddys also journeyed to Streator to attend a pre-Christmas dinner at the home of Mrs. Eddy's sister, Mrs. Robert Rolland.

After carolling at homes of shut-ins throughout Orland Park, 25 members of the Methodist Church Choir met at the Richard Anderson home for a get-together.

a junior college.

Under our theory of compulsory education we should and must provide the best possible educational facilities within our means — up to the age of 16, as required. After that age it should be up to the individual and not the community or the state to obtain additional learning or training.

Last year the voters in the state approved a \$195 million bond issue for needed expansion of the state's universities to take care of the population "explosion." Hardly had the votes been counted before plans were launched to create junior college districts over the state. Had these plans been revealed prior to the election, the bond issue would undoubtedly have been defeated.

There is nothing to prevent anyone from going to colleges now in existence. If we add to these present colleges a number of junior colleges, won't we dilute the standards of a "college education?" We are told the tax rate for the new junior college will be very low, because we are fortunate in a wealthy area, tax-base-wise. Whatever the tax rate, it would still be an additional tax! And like all taxes, it would increase every year or two.

A recent meeting of some 200 officials from institutions in 30 states of American Association of Junior Colleges in Chicago discussed as one of its major problems, finances. Edmund J. Gleazer Jr., executive director of the association said junior colleges face instruction and operation costs of from \$500 to \$900 per student per year in addition to amounts spent on buildings.

Rich township high school district has withdrawn from the proposed junior college district believing the citizens wouldn't approve an additional tax. (Its citizens are probably less tax conscious than those in our district). The Homewood-Flossmoor high school district had already withdrawn.

Lincoln-Way has lost one election to increase its tax rate; our grade schools as well as Lincoln-Way will ask for additional taxes in the future. With three school taxing bodies, some or all will lose out when increases are needed in the future. With only the grade school and high school to support, there is more likelihood that each will be supported. Let us not place this basic responsibility (of supporting our grade school and high school) in danger by establishing a taxing unneeded junior college.

We'd like to suggest that our high school district investigate the possibility of having extension courses given by faculty members of existing colleges in the Chicago area, Chicago, Loyola, Roosevelt, etc. Still another possibility might be that of inducing one of the state universities to offer classes at Lincoln-Way or some other school in the area. Illinois State Normal university will have classes in 19 off-campus centers starting in January, including Joliet and Kankakee. Information concerning them is available from Dr. Francis R. Brown.

Let's not be rushed into approving something before a thorough study is made of other alternatives. It is not too late for Lincoln-Way to withdraw before the coming election while the study is being made, thus saving the citizens the expense of a possibly unnecessary election.

FRED G. LEHMANN

Homer

Sunday School Program Set For Friday Night

BY ELIZABETH ANDERSON

The final rehearsal for the Sunday School program of Homer Church will be held Thursday afternoon, Dec. 21, after school closes. All participants are asked to attend. The program and tree will be Friday evening, Dec. 22, beginning at 7:30. Santa Claus has promised to appear.

The usual Sunday School and church service will be held Sunday morning starting at 9:30. Rev. Cox's Christmas sermon will be entitled "Whistling in the Dark." A candlelight service will be held Sunday evening at 7:30. Everyone is invited to each service.

Bill Mason of radio station WBBM, Chicago, visited the Everett Doede farm Thursday and made a tape recording with Mr. Doede concerning the cultivation of Christmas trees on the Doede farm. The recording was broadcast on the WBBM farm program early Saturday morning. Mr. Mason took four specimen evergreens from the farm to be presented to Chicago newspaper editors.

Mrs. Mary Vick of Morris, mother of Mrs. Otto Konow Jr., is a patient in St. Joseph's Hospital following a recent heart attack. She is improving in health.

Mr. and Mrs. Owen Ott are visiting her parents, Mr. and Mrs. Ralph Green in Florida. Mrs. Caroline Ott of Lockport is staying in her son's home

while they are away.

A group of Senior High young people from Homer Church were entertained at dinner in the Cox home last Sunday. They discussed the organization of a new Pilgrim Fellowship and held their first meeting Sunday, Dec. 17, at 6:30 p.m. They plan to meet twice a month, and all high school and college young people are eligible to attend.

Loren Sass and Robert Burch were among those who attended the Soil Conservation meeting at the Farm Bureau Building in Joliet Wednesday.

Mrs. Ralph Reiter has sufficiently recovered from her recent auto accident to be able to return to her home.

Mr. and Mrs. Kenneth Dunlap of E. Division St. are the parents of a daughter, born Dec. 13 at St. Joseph's Hospital. She has been named Patty Rene, and has a small sister, Pamela.

Mr. and Mrs. Glenn Reiter, 159th and Parker Rd., are the parents of a girl born Dec. 13 in Silver Cross Hospital. She has two sisters.

Funeral services were held Friday afternoon at the Carlson Funeral Home in Joliet for Louis E. Palkey, age 75, of New Lenox who died Wednesday, Dec. 13, at Silver Cross Hospital. He is the father of Mrs. John Loucks of E. Seventh St., Homer twp. Other survivors are his wife, Emma; a son, Edward of Joliet; five grandchildren and five great-grandchildren. Interment was in Maplewood Cemetery at New Lenox.

Rev. and Mrs. Stanley Cox, Mr. and Mrs. John Hollister, Miss Faye Rodgers and Mrs. Ira Anderson attended a Christmas concert at Moody Bible Institute in Chicago Wednesday evening.

Word has been received of the death of Mrs. Dwight Smith of Bozeman, Mont., at the age of 85. She was the former Edith

Bird, who lived at the present site of the Wrey White home when a young woman. She was a cousin of Mrs. E. A. Cary, and will be remembered for her musical talents. She sang well, and was an organist and violinist.

Donald Zolecki, who was seriously hurt in the Reiter auto accident returned to his home here last Saturday. He will be in a wheel chair for a few weeks.

The Missionary Society will meet at noon on Thursday, Dec. 28, at Homer Church. Dinner will be served and election of officers will be held. This group will also serve lunch to the young people of the Midwest Association who are expected to arrive that morning for a two-day retreat at the church. Homes will be needed to house the visitors Thursday night. Anyone who can help with these accommodations is asked to contact the parsonage or the James Bethells. Your help will be appreciated.

If you have a number of children on your Christmas list and consequently must settle for small-size toys, you can make each child's package more attractive by decorating the outside of the wrapped package with bright lollipops and other "treats."

HOLIDAY
Cheer

THE time for joy and good spirits is with us again. And it is time to wish you all a Merry Christmas.

TOO MANY PACKAGES--Crossing the street in the middle of the block is dangerous at any time. It is especially hazardous if your visibility is obstructed by an arm load of Christmas packages, says the Chicago Motor Club. The club cautions pedestrians to cross only at intersections and to carry only as many packages as they can comfortably manage without hindering their ability to cope with traffic.

NOT FROM THIS SIDE--Never enter or leave an auto from the street side, warns the Chicago Motor Club. This obviously is a dangerous practice and can cause injuries to others in addition to yourself. In this posed picture a motorist has just turned a corner when he is suddenly confronted with an open car door. If he cannot stop in time, he must either smash into the open door or swerve into oncoming traffic to avoid the collision. It is much safer to enter your car from the curb side.

TUMBLING PACKAGES--The Chicago Motor Club reminds motorists it is imperative that they give their undivided attention to their driving. Here, an unwise motorist has piled the results of an entire day's Christmas shopping on the front seat. When packages tumble to the floor, she is distracted and momentarily diverts her attention from the road--always a dangerous practice.

Helpful Table For Filing Income Tax

(CNS) The Internal Revenue Service, this week, made available a table reflecting average state general sales tax payments by Illinois residents. Harold R. All, District Director of Internal Revenue Service at Chicago said, "Taxpayers who itemize their deductions instead of taking the standard deduction may find the table helpful in determining the amount paid for sales taxes during 1961."

The following is a sample of the estimated sales tax payments found in the table:
Income under \$1,000, for a single person, \$17;
for two, \$38; for six or more, \$53.
\$2,500 under \$3,000, single person, \$50; for two, \$66, six or more \$88.
\$4,000 under \$4,500, single person, \$68; for two, \$94, six or more \$124.
\$5,000 under \$5,500, single person, \$81; for two,

\$112, six or more \$150.
\$6,000 under \$6,500, single person, \$93; for two, \$130, six or more \$173.
\$8,500 under \$9,000, single person, \$114; for two, \$169, six or more \$227.
\$10,000 under \$11,000, single person, \$128; for two, \$192, six or more \$257.
Mr. All said the law requires taxpayers to substantiate any deduction claimed on their returns and, if requested, they must be prepared to do so. Ordinarily, however, they will not be asked to produce records to support the sales tax deduction claimed unless it exceeds the amount shown in the table.

"Taxpayers may obtain copies of the table by writing the Internal Revenue Service, Forms Counter, 22 West Madison St., Chicago", Mr. All advised.

Green Garden

Norbert Brockmans Have Card Club Yule Party

MRS. KATHARINE HEISNER
Tel. Frankfort 5187

Mr. and Mrs. Norbert Brockman entertained their card club at their home Saturday evening for the annual Christmas party with a dinner. A social evening followed, including a gift exchange. Those attending were Mr. and Mrs. Leslie Koenig and family, Mr. and Mrs.

Robert Simpson and family, all of Frankfort, Mr. and Mrs. Robert Klier of Monee and Mrs. Henry Kuse and family.

Mrs. John Kuse will entertain her family at Christmas dinner Monday in her home.

A group of relatives will dine at the home of Mr. and Mrs. Harold Scheer Christmas Day at 5 o'clock dinner. They are Mr. and Mrs. Orval Schroeder and family, Mr. and Mrs. Elmer Batson, Mr. and Mrs. Milton Batson, Mr. and Mrs. Conrad Haakinson and daughters, Mrs. Louisa Heisner, all of Frankfort; Mr. and Mrs. William Hecht and family and Mr. and Mrs. Edward Vollrath and family, all of Joliet.

The Family Life circle Christmas party will be held at the home of the Everetts Heatherwicks Wednesday, Dec. 27.

IN THE CHURCHES

METHODIST
Rev. James Swain, pastor

Church service at 10:45 a.m.

ST. JOHN'S

Rev. Ernest Gander, pastor
Church service at 10:30 a.m.

Medieval England celebrated Christmas for twelve days instead of four. The celebration began with the lighting of a huge log, which was kept burning for twelve days. At the end of the twelve days, the fire was extinguished and a remnant of the fire kept for the following year when it would be used to kindle a new log. This gave rise to the Yule log custom and explains why Christmas is sometimes referred to as "Yuletide."

European Chef Heads Valley View Kitchen

Chef Deming, a European chef, has joined the staff at Valley View farm on Route 30 and will bring French, German, Swiss and American cuisine to diners.

Born in France and trained in Switzerland, Chef Deming spent 17 years as chef with the Statler hotels and the Edgewater Beach hotel in Chicago. A portion of his career was spent at the Officer's club in Washington, D. C.

Lincolnwood Scout Complete Gifts

MRS. DELORES ANDERSON
Tel. HU 5-3651

Girl Scouts of troop 375 met Tuesday this week, instead of Wednesday their regular meeting day. They finished work on Christmas presents they were making for their parents. The girls were asked by the Civil Defense to deliver literature to the various homes in New Lenox township. They were also asked to make bandages for Civil Defense after the first of the year. The Scouts practiced singing Christmas carols for their Christmas Sing to be held Friday night in the Lincolnwood area.

Face-saving has been an old trick in the Orient, but it didn't pay off until the US beauty industry took over.

64 LW Collegians Back For Annual School Visit

More than sixty-former graduates of Lincoln-Way high school, now attending college, will return today (Dec. 21) for the second "Back to Lincoln-Way Day".

The "Back to Lincoln-Way Day" has four main objectives outlined by the guidance department and the administration of the high school. The first objective is to help the students to make the most of their opportunities at college. Informal panel discussions are planned in hopes that the college students will pass along first-hand advice for the current Lincoln-Way student. The third objective, secured by means of a questionnaire, information that will help in evaluation of our guidance services and curriculum offerings. The final is gathering information for a guidance follow-up study of Lincoln-Way graduates.

Mrs. Alice Gorman, head of guidance at Lincoln-Way, terms the program, "A continued guidance service to our students presently in college and help for us in directing stu-

dents who will leave Lincoln-Way for college in the future." The special session opens at 9:30 a.m. in the all-purpose room and concludes in the auditorium at 2:30 p.m. A. Hunter Chapman, principal, will welcome the group at the opening of the session.

The basic meetings will be small group affairs with guidance teachers directing the meetings. Returning graduates will have an opportunity to visit with former teachers and friends early in the afternoon.

Holiday Dance

Saturday At L-W

The Mistletoe Magic Christmas dance will be held at Lincoln-Way high school on Saturday, from 8:30 to 11:30 p.m. in the high school gym. The dance is sponsored by the sophomore class of Lincoln-Way. Bill Carnegie's band will provide the music. A visit from Santa is expected.

CHRISTENING

The infant son of Mr. and Mrs. James Townsend, of New Lenox, was christened Sunday (Dec. 17) at Emmanuel Church of Christ at Peotone with the Rev. E. H. Plassman officiating. The child was christened Michael James Townsend and an uncle and aunt, Mr. and Mrs. Edward Townsend of New Lenox were the sponsors. Afterwards a family dinner was served by Mrs. Marvin Behrens at her home in Peotone. She is an aunt of the child.

There are 40,000 men among the 3 1/2 million members of the Girl Scouts of the USA.

This is news right from jolly Santa himself... he's bringing you a holiday season packed with fun and good fellowship.

SEASON'S Greetings

It happens every year at about this time. Somehow, hearts are lighter; friendships are warmer; a new spirit of good cheer is abroad in the land. You see it in every face, hear it in every voice, sense it everywhere in a hundred different ways. We would like to pack all of this Holiday spirit into our Christmas greetings to you!

Play It Safe So You Can Have A Merry Christmas

This is the season of peace and good will, when people are kinder, more considerate, tolerant and generous than at any other period of the year. It is too bad that such qualities appear to be limited to our pedestrian moments. But they seem to be. Consideration, tolerance and courtesy are ignored or forgotten by too many persons when they get behind the wheel of a car.

Why the Christmas season should be one of slaughter is difficult to fathom but it is. More people are killed in traffic accidents at Christmas time than any other time of year. That is not an idle claim but is proven by statistics.

For example there were 650 persons killed in traffic on Christmas of 1960, as compared to 555 on Labor Day, 590 on the Fourth of July and 490 on Memorial day in the same year. In 1956, which was really a year, there were 885 persons killed in auto accidents on Christmas as compared to 495 on Memorial day.

We exert ourselves to see that the needy or the lonely are cared for on Christmas . . . we see to it they are provided with good clothing, toys too if they are children, and make certain they have plenty to eat -- then we kill them off.

And the people coming to spend Christmas with their families or friends. Going home for Christmas is a great thing . . . all of us are in favor of it and of course none of us would intentionally spoil such plans but we do. We kill the people off.

Just why motorists should be more careless at Christmas has not been determined for sure. There are many theories and perhaps all of them carry some truth.

People are in a hurry. That is one explanation given. They are so eager to reach their destinations or they are in a rush because of attempting to crowd too many errands into too little time. So they step on the gas and take a chance. And in this day of 200 and 300 horse power engines stepping on the gas can have sudden and disastrous results.

Then there is the speed driver--the person who boastfully tells of always traveling at excess speed and has never been in an accident. Sure, he hasn't had an accident and maybe he doesn't know that he has caused other people to have accidents but he has . . . he has forced other people to

leave the pavement to escape a head on collision only to wind up in a ditch and perhaps on a mortician's table. Meanwhile the speed driver has disappeared.

Investigators believe that these speed drivers are responsible for some of the accidents now blamed on the driver -- he must have fallen asleep . . . he must have lost control and went off the pavement . . . maybe he became ill . . . maybe he was drinking? Who is to say? The driver was alone and he is dead and no witness has come forward. It is just as plausible to say that a speed hog drove him off the road as to give one of these other explanations.

Drinking is responsible for a lot of traffic accidents. Speed and drinking, in the order named, are responsible for most of the highway crashes, figures show. Couple of them and one has as lethal a combination as a loaded shotgun and a twitchy finger.

There is a lot of social drinking around Christmas and there have been many persons killed as a result of it. One doesn't have to be drunk to be a menace on the highway. A few drinks can alter his judgment of affect, his reflexes and that is sometimes sufficient to end in another death for the road.

Anyone who plans on attending Yuletide parties where there is drinking should garage his car and use taxis.

Weather can be bad at this time of year but statistics show that when it is motorists are more careful than when driving conditions are good. Figures show that most fatal accidents take place on straight stretches of road where the view is unhampered.

This would indicate that when motorists use care and caution there are fewer fatalities, so carelessness must be a big factor.

Carelessness and speed. Persons who may be driving long distances to spend Christmas with loved ones are advised to start early so they will not have to step too heavily on the accelerator. And if you happen to be one of these planning trips and find that your start is delayed don't try to make up lost time. Better to be late and get there than to have a coroner telegraph or telephone for instructions as to where to send the body.

Have a safe Christmas. Then it can be a happy one.

Ruling The Roost

Retailing has gone thru a number of revolutions in this century--from the day of the community emporium, which had a monopoly or near-monopoly on the trade in its area, to the emergency of mass distribution, as pioneered by the chains. The most recent major change has been the development of the shopping center--a result of a combination of factors, of which the most potent one has been the shift of population to the suburbs and the smaller towns.

An indication of the importance of this is found in an announcement from the company which published the long-established magazine Chain Store Age. Next January it will start to issue a new monthly business paper named Shop-

ping Center Age. Its purpose will be to inform and help all the varied groups concerned with the planning, maintenance and operation of these centers. As the publisher puts it, "The close association between chain stores and shopping centers has made us aware of the need for a separate magazine to serve the specialized interests of the shopping center field."

The shopping centers, with their huge collection of wares of many kinds, their attractive displays, and their inducements are simply another big step in the endless drive of retail business to meet the needs, wants, facilities and foibles of the consumer. The housewife really rules this roost.

On Second Thought

By GLENN F. LOGAN

There was a piece in the dailies last week to the effect that the U.S. Army and the New York university college of engineering have found a way to count and measure raindrops.

This discovery, the story said, is of importance in many fields of science and infers that scientists who have been going ga-ga over the problem can now go to bed nights and sleep the sleep of the just without resort to sleeping potions or tranquilizers.

Some might think that the earlier researchers baffled by the raindrop problem had their own medicine to induce sleep at hand in the drops themselves. Counting raindrops should be as efficacious as counting sheep in wooing slumber, it would seem.

The story goes on to say that knowledge of the number and size of raindrops is quite important to airplane and missile designers because they want to know the effect of rain on jet engines and the surfaces of supersonic aircraft and missiles.

Weather specialists need this data, it was said, in order to understand how rain forms and to perfect radar measurements of water particles in the atmosphere. Soil scientists apparently figure that the number and size of drops--if known--will help them in their research into land erosion.

This story apparently is important because while it didn't make Page 1 in the metropolitan it was used to lead off an inside page in the first section and carried a 36-point, three line head with a deck, and it was transmitted by wire.

All of which means that the news editor must have attached some importance to it. It must be conceded, however, that the past decade has made science a very big thing, indeed, and anything pertaining to it is sure to get a good play. In fact, science gets treatment now that puts it right up there with homicide and scandal in competition for reader attention.

The device invented to count raindrops has a beam of light and a series of lenses that sees the falling raindrops, it was explained, and the counting is done by a photo-multiplier detector tube. The information gathered by the device passes thru electronic circuits and finally punched out on tape and lastly digested by a computer that comes up with the answers.

It is said that the device can count up to 10,000 raindrops a minute and has classified them in 13 sizes, ranging from an eighth of an inch in width down to less than 1/100 inches.

Heretofore, it was customary to compare raindrops to coins when one discussed size. . . raindrops big as nickels. . . why they were as big as quarters. . . I'll swear they were like half-dollars. Hall, of course, which is a lot of raindrops frozen, is sized in comparison with golf balls, baseballs or walnuts, with or without the hulls. If we ever get hailstones as large as volleyballs, footballs or basketballs take shelter in the basement.

No doubt these raindrop counters and sizers are costly devices and will never become household appliances so probably we will continue to compare raindrops with nickels and quarters with some as big, say, as 15 or 35 cents.

It might be a little difficult for poets and lyric writers to get in a lot of statistics in their work and still have it thrill the reader or listener but the forecasters might make use of it.

Instead of forecasting light showers the forecaster with a raindrop counter might come up with. . . "rain likely, 1,500 d. p.m. No. 1," or whatever the smallest size might be, or it might be a "No. 13 size drop falling at the rate of 10,000 per minute."

The forecaster announcing the amount of rain that had fallen in drops probably would have to write the figure out otherwise one would have dif-

"How did we get talked into this?"

that's THE LAW

A PUBLIC SERVICE OF
ILLINOIS STATE BAR ASSOCIATION
IN COOPERATION WITH THIS NEWSPAPER

MECHANICS LIENS

Do you realize that when the local handyman agrees to repair your front porch steps, or when you contract to have new gravel put on your driveway, or a garage built on your lot, the law of Illinois automatically creates a "lien" in favor of the workman or supplier and against your house and lot?

Yes, an Illinois statute provides that any time you enter into a contract calling for repairs or additions or materials or labor for the repair or improvement of your property, a "mechanic's lien" arises in favor of the workman or materialman.

A mechanic's lien is a charge against land and buildings which workmen or suppliers of materials agree to improve. The lien helps assure the workman that he will be paid for the goods or services he devotes to the property.

If he takes the steps necessary to protect the lien and he is not paid when his bill comes due, the law gives him the right to "foreclose" his lien by having the property sold at a public sale. The claimant is then paid the amount of his lien from the proceeds of the sale.

Under Illinois law, a mechanic's lien comes into existence at the time the property owner or his authorized agent enters into a contract to improve the property with a workman, contractor or supplier. This usually occurs prior to the time work is actually begun.

As against those who acquire an interest in the land after the work is finished, no mechanic's lien is effective unless a "claim for lien" has been filed with the county recorder within four months after completion of the work. Furthermore, under Illinois law, all mechanic's liens automatically expire unless a suit to foreclose the lien is begun within two years after the work is completed.

An example will illustrate difficulty in wading thru the long line of zeroes. It is difficult to figure out those multiple-illions at sight reading.

Then if the weather bureau wanted to confuse us good it could translate the drops to c.c.'s--15 to the c.c. isn't it? And approximately 30 c.c. makes an ounce? and work up from there to tons.

We don't believe we would care to get our rainfall data by count or weight. It doesn't make a picture. And as far as we can see it doesn't matter a tinker's curse how many drops of rain it takes to make a river flood, it is the end result--the flood--that is the problem.

We don't know how much these rain counting devices cost but no doubt if they are expensive enough various department of government--federal and state--will have to have them. As far as the general public is concerned at \$4 rain gauge will supply all the necessary information. After all, rain's rain.

how the lien works. Bill Homeowner bought a house and lot in Oakton, Ill. On March 1, 1956, Bill contracted with Jake Builder for the erection of a breezeway between the house and garage for \$1,000. On May 1, Jake finished the job.

Soon after, Bill was transferred to another city and was forced to leave Oakton. He sold the house and lot to Art Buyer on July 1, 1956. What are Jake's rights against the land?

When Jake finished the job on May 1, he had two years to perfect his lien against the property by filing a suit to foreclose. But, because Art Buyer purchased the house and lot after the work was completed, Jake must also file a claim for lien with the County Recorder before September 1--four months from completion--in order to keep his lien against the property alive. Of course, Bill will still owe Jake the \$1,000 under their contract, whether or not Jake has a valid lien against the property.

How could Art Buyer have protected himself against Jake Builder's outstanding lien? First, the buyer can check the county recorder's books for mechanic's lien claims against the property.

A more practical method is to examine the premises for evidence of improvements within the past four months. If evident, the buyer should require the seller to show full payment of the workmen and suppliers to discharge outstanding liens. Otherwise, the buyer might have these bills.

This is important to the buyer even if his contract calls for a guaranteed title policy or merchantable abstract, because the usual forms of title insurance and abstracts currently in use in Illinois cannot protect against hidden mechanic's liens.

Subcontractor's liens are an especial danger to purchasers of new buildings. Contractors who work for or supply materials or labor to general contractors have mechanic's liens against the property. Therefore, before paying the general contractor, the owner or buyer should ascertain that all the subcontractors have been paid in full or have waived their liens in writing.

(This column is written to inform and not to advise. No person should ever apply or interpret any law without consulting his attorney. Even a slight difference in the facts may change the result under the law. The names used in this series are fictitious. The Illinois State Bar Association, 424 South Second Street, Springfield, Illinois, has published a pamphlet entitled "Buying A Home" which will be sent free to any person who requests it.)

Pine Tree Has Role In Christmas Legend

The legend of the Faithful Pine which sheltered the Holy Family during the flight to Egypt is charming and touched by the mysticism associated with the Nativity theme.

With Herod's soldiers in pursuit, Mary simply had to rest awhile and sought shelter within the hollow trunk of a huge fir tree. As the soldiers approached, the tree bent its branches to conceal the huddled little group. When the danger passed, the baby Jesus blessed the old tree. And if you cut a pine cone lengthwise at Christmas time, you can still see the imprint of His little hand.

WILLIAM F. WHITESIDE COOK
COUNTY FARM ADVISER
TINLEY PARK - KE 2-4369

Any organization is only as successful as the people who are members wish to make it. Recognition and awards come to organizations also in the same ratio.

Four-H club work in Cook county is successful because of the many people who devote time to leadership and the interest and activity of 4-H club members. One member in particular has distinguished herself both in service to 4-H club work and in bringing honor to herself and the program. I am speaking specifically of Elaine Yunker, of the Alpine Girls 4-H club. As a member of the Illinois 4-H vegetable judging team, she placed 14th in the national vegetable judging contest held in Detroit.

At the same meeting she was elected Northeastern region director of the National Junior Vegetable Growers' Association. Elaine can be justifiably proud of these accomplishments. We, who are responsible for administering 4-H club work, are extremely happy with the success Elaine has enjoyed.

While we are talking of vegetables, let me announce the Vegetable Growers' schools to be held Jan. 3, 4 and 5. The program on Jan. 3, will be held at the YMCA in LaGrange. Subjects to be covered that day include an interpretation of the labor housing licensing act as it will be administered next year.

Charles Clark of the Illinois Department of Public Health, and A. J. Cross of the Illinois Agricultural Association will discuss this topic. The remainder of the Jan. 3 program will be devoted to economic aspects of vegetable production, including farmer prices versus retail prices, marketing orders and agreements, and voluntary supply regulation programs.

The program on Jan. 5, will be held at the Thornton Township hall, So. Holland. This program will deal with production problems, including chemical weed control, insect control, disease control (in onions and sugar beets), frost control in tomatoes, and social security. Vegetable producers are invited to attend.

Prices of soybeans will hold close to the price support level for the next six months. This

Hints For Homeowners

By JAMES FIZZELL, ASST.
FARM ADVISER

Decorating of our homes at Christmas time is a tradition which has grown up through the ages and had its beginning even before the first Christmas.

The custom of kissing under the mistletoe seems to stem from the ancient Greek marriage rites which used mistletoe, or possibly as a result of a centuries old rule in some countries that enemies became reconciled at the New Year. They would meet under the mistletoe and swear friendship for the coming year.

In many lands, holly was thought to protect the occupants of a home in which it was placed, from witches, thunder and lightning. Evergreen boughs were a symbol of immortality. It is quite natural that these materials be formed into wreaths, which are themselves a symbol of victory, and be placed at windows and doors for the Christmas season.

The use of flowers seems to stem from the legend relating how the plants, trees, and shrubs all burst into bloom on the first Christmas eve in Bethlehem.

The use of the Christmas tree is thought to have originated as a symbol of the Tree of Paradise in the Garden of Eden. The custom seems to have come to this country during the Revolution when home-sick Hessian soldiers erected trees to remind them of their homeland. The popularity of the custom has grown up mostly since the mid 1850's when the first Christmas tree was set up in the White House by President Franklin Pierce.

The Christmas ornaments we use in America have come to us from all parts of the world. Each new nationality group that migrated to this country brought with it some customs of its own. The earliest decorations were simple and were made of the common berries and fruits of the area.

Apples, oranges, nuts, and strings of popcorn or cranberries still make up some of our most effective Christmas decorations.

ELAINE YUNKER

is normal behaviour for prices of a crop where the supply is substantially larger than the amount that will be used at the support price, so says Larry Simerl, extension economist, University of Illinois.

Provisions of the Feed-Grain program, banning grazing livestock on diverted acres, has been lifted for the rest of the year. This change will permit farmers to salvage corn on the ground, and other crop residue without fencing off diverted acres in the same field.

The winter short course in agriculture is designed for young farmers who cannot regularly attend college. This program will be held Feb. 5 to March 6. For more information about this program, contact my office.

Home Bureau Has Annual Meeting, Elect Officers

MRS. SHERMAN KNOX
Fieldbrook 9-0211

The Orland Home Bureau had its annual meeting at the home of Mrs. Karl Ekberg, Friday evening, Dec. 15 with 26 members and two guests present. Refreshments were served after the business session and elections. Assisting Mrs. Ekberg were Mrs. Adele Cooper and Miss Mary Ginder. The group enjoyed singing Christmas carols and the gift exchange.

The newly elected officers are - Mrs. Milton Bettenhausen, president; Mrs. Lambert Spencer, vice president; Mrs. Emil Richkemer, secretary and treasurer; Mrs. Karl Ekberg, welfare and Mrs. Harvey Cooper, publicity.

The Esther Circle of the WSCS, Methodist church will meet at Wesley Hall, Thursday, Dec. 28 at 12:30 p.m. for a hot-pot-luck dinner, and Christmas party. Members are asked to bring a dollar gift for the exchange. Games will be played and prizes awarded.

Mrs. Stewart Loebe underwent surgery Friday, Dec. 15 at St. Francis hospital, Blue Island.

St. Michael's school children will have their Christmas parties in their class rooms, Friday, Dec. 22.

At the regular meeting last week of the Doctor School PTA, a Christmas program followed the business session. Pupils in each room will have their Christmas parties tomorrow, Dec. 22.

Richard Kelsey, son of Mr. and Mrs. Clarence Kelsey, had a 15-day leave and his wife and son accompanied him to Orland. He returned last week to Norfolk, Va. His wife and son will visit her parents, Mr. and Mrs. Edward Holz in Tinley Park. Richard will be leaving Jan. 15 with the 6th Fleet for a seven-months cruise in the Mediterranean. His address - Richard Kelsey, SN 515-22-89, USS Taconic - AGC 17, c/o Fleet Postoffice, New York, N.Y.

PFC Charles E.E. Stewart, son of Mr. and Mrs. Charles Stewart, is stationed at Fort Riley, Kans., after being called by the reserves. PFC Charles Stewart was released from the regular army last February after he had served two years in Karlsruhe, Germany.

Mrs. Dave Agate entertained at a pheasant dinner last week Tuesday evening. Guests were Mr. and Mrs. Harry Pihl, Mr. and Mrs. George Gee, Mrs. Karl Ekberg, Ivar Benson, Mr. and Mrs. Sigmund Smith, Mr. and Mrs. Harry Anderson and Miss Augusta Peterson.

Lee Gericke was named the outstanding police officer of the year Monday night at a dinner given in Park Forest. The dinner was given by the Kiwanis club and Business Men's Association. Gericke is a policeman at Park Forest. He was presented with a revolver by the association.

Ann Rutledge PTA held its annual Christmas party Monday. The group purchased Christmas trees for the rooms. Christmas parties will be held in each room Friday afternoon with room mothers assisting teachers. Mrs. William Davidson showed slides of her trip to Europe.

After the gift exchange, the group sang Christmas carols, accompanied by Mrs. George Kaehler. Refreshments were served by the executive board. A little Christmas angel was at each place setting. Christmas corsages were given to everyone present. The angels and corsages were made by Mrs. Lee Gericke, Mrs. Charles Scheeler and Mrs. Frank Kovar. The seventh and eighth grade pupils decorated the Christmas tree.

School will be out for Christmas vacation starting Friday at 3 p.m., and classes will resume on Jan. 3.

Three Cash Prizes To Be Awarded In Contest

MRS. DELORES ANDERSON
Tel. HU 5-3651

A home decorating contest is being sponsored by the local Association of Commerce with some financial assistance from the village of New Lenox. The village is contributing \$125 toward the cost of the community celebration.

The contest will be strictly for residential, excluding commercial or churches. There will be three cash prize awards given.

Santa Claus will be flown in by helicopter on Saturday to the local fire station on Church St., where he will greet children all day, and give candy to those who come to see him.

The community Christmas tree, put up Saturday on Route 30, at the side of the Bowling alley was donated by the New Lenox Lumber Co. and decorated by the Association of Commerce members, Evans Drotts, president of the Association, appointed committees to take charge of the community celebration.

The New Lenox Lions club Christmas basket distribution to needy families of New Lenox township will take place on Dec. 22 and 23rd. Funds for this project, co-chaired by Lions Roy Pfeifer, and Glenn Vally, were obtained from the "windshield wipe" held Sunday, Dec. 3, at the intersection of Route 30 and Cedar Rd.

Those who have cancelled meetings this month, due to the holidays are New Lenox Association of Commerce, Deborah circle of the Methodist church, Womans league, and the Naomi circle of the Methodist church.

IMPORTANT ADVICE--Coach Bill Edwards of Lincoln-Way takes a time out to diagram and discuss some of his team's problems during the Reavis game played Dec. 15. Golden Triangle Photo

Knights Drop Brace Of Conference Cage Matches

By PAUL BROWN

The Knights of Lincoln-Way ran into two tough games in Reavis and Rich this weekend and they lost them both. They lost to Reavis, 65-59; and they lost to Rich, 64-45.

In the Reavis game, the Rams got hot in the second quarter and scored 23 points. That gave them a 34-26 halftime lead. In the third period they scored 16 to 11 for the Knights. This made the score 50-37. Lincoln-Way came back in the fourth quarter outscoring the Rams 22-15, but it wasn't enough.

Ron Yunker had his best night of the season against Reavis scoring 30 points on 11 field goals and 8 free throws. John Burroughs was next with 12 for the Knights. High scorer for Reavis was Bukovsky with 11.

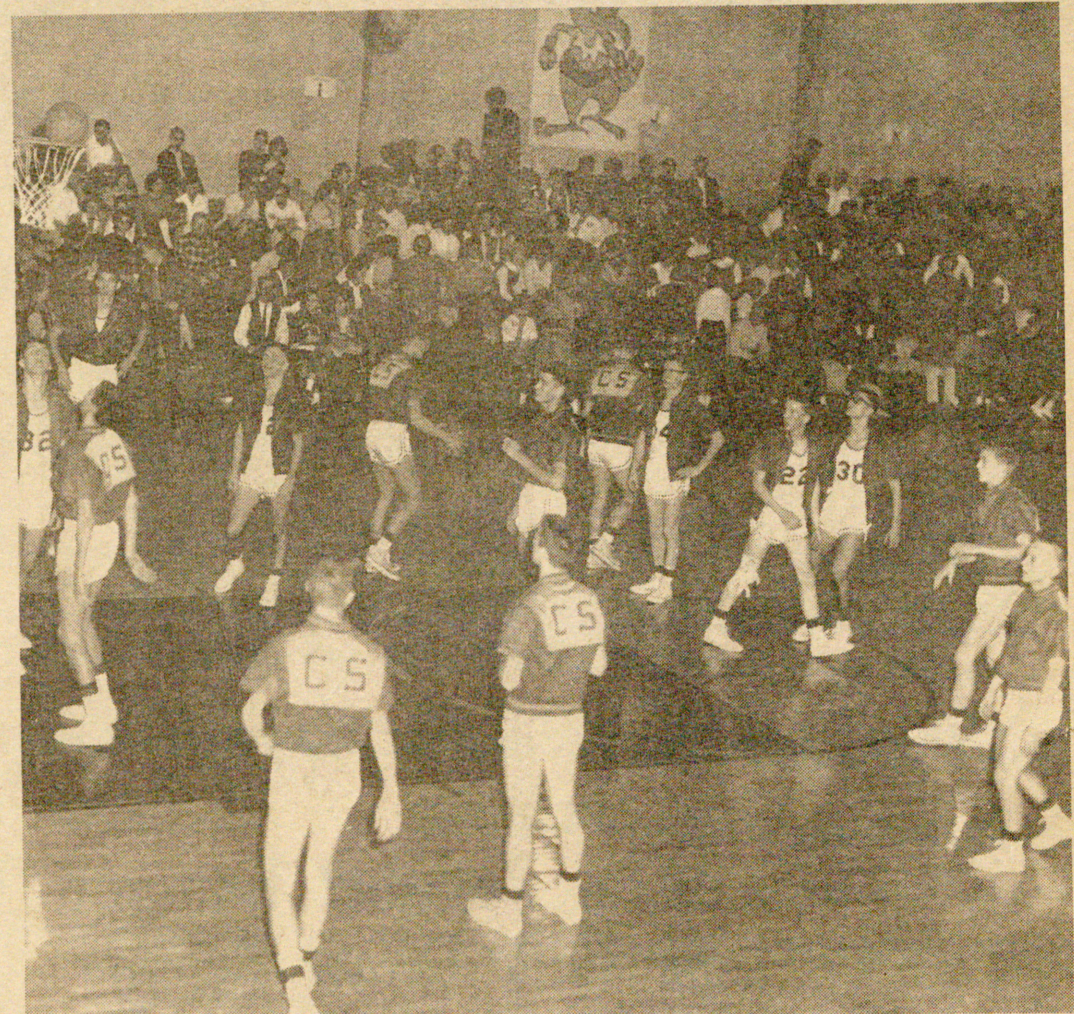

Against Rich, the Knights fared little better. They were down at halftime by a score of 26-20. Then in the third period Rich took off, outscoring the Knights 19-10. They also scored 19 in the final quarter while Lincoln-Way was scoring 15. The final was, Rich 64, Knights 45.

Ron Yunker once again was the high scorer with 18 points and a weekend total of 48. Next for the Knights was Dan Lajcin with 11.

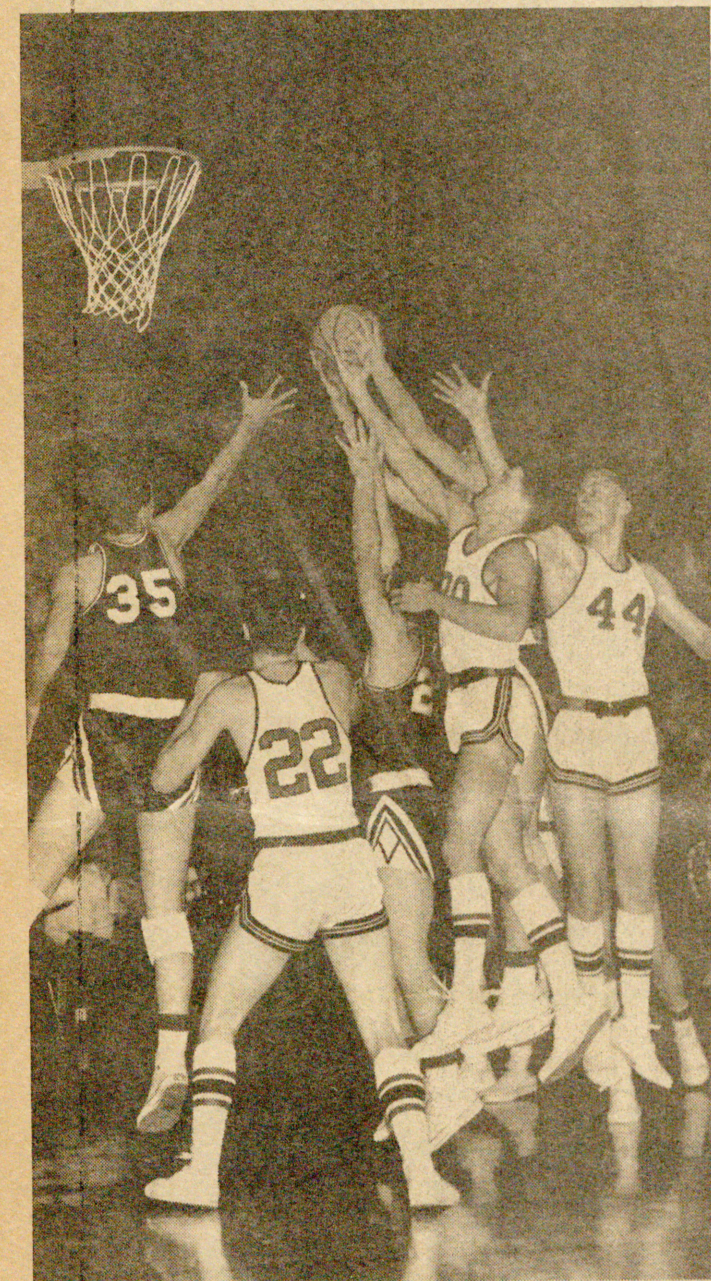

Bellows was the high scorer for Rich with 16 points.

This weekend the Knights travel to Homewood-Flossmoor to take on the undefeated Vikings.

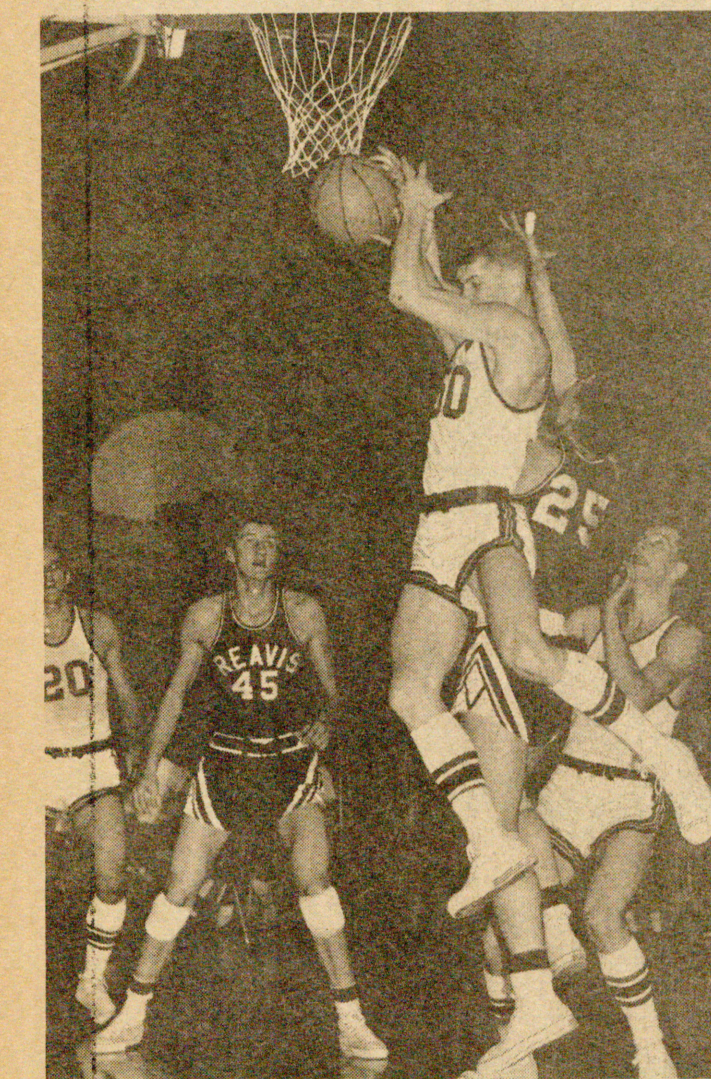

The frosh-soph Knights had a good weekend. They beat Reavis fairly handily 40 to 27 and outscored Rich, 41-32.

VARSITY WARM-UP in Carl Sandburg gym. The Eagles basketball team has been going well this fall and followers are keeping their fingers crossed against any possible slump. The way the team is going it could take the SSW conference title.

ALL HANDS -- Everyone is reaching to get hold of the ball on this rebound in Friday night Lincoln-Way vs. Reavis game, Jim Wisek has both hands on the ball for Reavis and he is getting some help from Dennis Mooney (23). Trying to snag the ball are John Burroughs (22), Joe Reinhard (30) and Dan Lajcin (44) of the Knights. Don Mich (35) of the Oak Lawn team is trying to get it too. Golden Triangle Photo

HAULING IT DOWN -- Jim Miller (50) of Lincoln-Way hauls down a rebound while Jim Schindler (25) of Reavis tries vainly to get the ball from him. Also in on the play are Ron Yunker (20) of the Knights and Jim Wisek of Reavis. Golden Triangle Photo

CS Coaches To Play Gal Basketeers

The Carl Sandburg high school coaches are scheduled to play the All-American Red Heads, world's championship girls basketball team on Saturday, January 13, at the Carl Sandburg high school gym.

Rosalie Kaschmitter a 6 ft. 7 inch young lady from Idaho is the world's tallest professional girls basketball player. Rosalie plays center for the Red Heads and with the aid of her teammates is expected to give the Sandburg coaches a lot of opposition.

Earlier in the evening a basketball game will be featured starring gradeschool boys from the Sandburg area. This All Star game will feature two teams made up of boys now being coached by varsity coach Bill Adams.

Tickets for the game may be purchased at Kirk's Grill and Kosnar Walgreen Drugs in Orland and at the Palos Sport store in Palos Heights.

The affair is being co-sponsored by the Carl Sandburg Pep club and the Eagle Booster club. Proceeds will be used in part to purchase new uniforms for the Sandburg cheerleaders.

Prep Grapplers Seek Honors At Wilmington

Beginning tonight and continuing thru Saturday, prep school wrestlers will match brawn and skills in the annual Wilmington invitational wrestling tournament.

The matches are being held in the high school gym at Wilmington. Those tonight start at 7 o'clock. The quarter-finals are set for tomorrow night (Friday) with the semi-finals Saturday afternoon at 1:30. The finals will be staged Saturday night at 7 o'clock.

The affair has attracted 12 teams this year, four more than were entered in 1960. The new school represented in the tourney are Lincoln-Way and Rich Central, Morris and Minooka, and Argo. Back from last year are Batavia, Dwight, Gardner, Joliet Catholic, Kankakee, Plainfield and the host school, Wilmington, St. Paul, in the tournament last year is

not an entry this time. Last year Kankakee won the team prize and the outstanding wrestler of the tournament was Tom Johnson of Batavia.

This year there will be no team championship. Everything will be on an individual basis. Awards will include individual medals for the first four place winners in each of the 12 weight brackets. A trophy also will be given to the wrestler who gets the fastest fall; one for the outstanding grappler of the tournament and one for the outstanding wrestler among the underclassmen.

This is a double elimination event so there will be plenty to see. Tickets are on sale at the school. An adult ticket for all sessions is \$2.50, for a student, \$1.50. Individual tickets are 50 cents for students, 75 cents for adults but \$1 for the finals.

Holiday Cage Tournament Opens At L-W Dec. 27

The second annual holiday basketball tournament sponsored by Lincoln-Way high school gets under way next Wednesday, Dec. 27 in the New Lenox school gym. The finals will be played Friday night.

Eight schools are participating and the drawings completed for first round games. Play will begin at 1:30 Wednesday afternoon.

The schedule was drawn after the coaches met at the host school where each mentor rated all teams except his own. The policy of the Illinois High School Association of placing the seeded teams was followed. Lincoln-Way was the unanimous choice of the coaches as the No. 1 team, with Braid-

wood being accorded the No. 2 spot. Monrovia and Beecher were ranked third and fourth, respectively.

Braidwood and Plainfield will meet in the first game Wednesday afternoon followed by Monrovia paired against Lemont in the second tilt at 3 o'clock.

Beecher and Manteno are slated to meet at 7 o'clock Wednesday night and Lincoln-Way is pitted against Grant Park in a game scheduled for 8:30 o'clock.

There will be a consolation round Thursday afternoon with the first round winners meeting that night.

Last year Braidwood won the tournament, defeating Lincoln-Way in the final game.

Junior ABC Tourney Draws Some 60 Entries In Area

Davey's Bowling Lanes in New Lenox will again participate in the annual Christmas tournament sponsored by the American Junior Bowling Congress. This is the 15th in the history of the affair.

Scores of the youngsters participating will be sent in to a central point and compared in the search for the national winners.

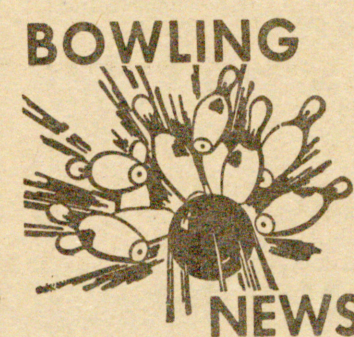

There are three divisions in the tournament--bantams (12 years and under); juniors (13 thru 15) and seniors (16 thru 18). And in each division there will be singles, doubles and mixed doubles. Bowlers must be sanctioned by the AJBC and may participate in any or all events in his division.

There is no entry fee. The only cost is that of bowling. Local organizations or individuals who desire to sponsor an event may do so for a nominal cost that will be used to purchase a trophy for the winner of that event, it was stated.

The tournament will be held during Christmas week, Dec. 26 thru Dec. 30. Squad times will be at 1 p.m. and 3 p.m. each afternoon from Tuesday thru Saturday.

Last year more than 150,000 boys and girls took part in the tournament. Entries at New Lenox last week, according to Dwight Davidson, proprietor of

Davey's Lanes, had passed the 60 mark. There is still time to enter, he added.

Matmen Wind Up In Tie

The varsity wrestling team at Lincoln-Way is still unbeaten but not untied. Rich high school took care of that last weekend. Each team wound up with 22 points. Rich East won the last three events to knot the count.

Lincoln-Way started out with Ray Jast pinning his man, Tom Suchoski and Randy Reiter followed with wins by decision. Then Cliff Chestwood, who usually gets his man, lost a decision to Bob Campbell who was a state finalist last year.

Bill Delaney then pinned his opponent only to have this cancelled out by John Wray of Rich pinning Jerry Santerelli. Terry Weber won his match; Mike Codini lost his and Tom Gumble won by a decision.

The next and last three L-W grapplers lost, Ken DeCamp and Jim DeHart by decisions and Joe Wajchert by having been pinned.

The Lincoln-Way frosh-soph team continue to win, taking Rich 26 to 18. This was the fifth triumph for the Lincolns.

Four of the L-W frosh-sops remain unbeaten, Earl Sushoski at 112 pounds and Chuck Robertson, 138, have five wins each. Jim Hunniford has a record of four wins and no defeats and Dennis Hutton at 145 pounds has won three straight since joining the team. Rich Smithson and Todd Bennett won last weekend to raise their records to four wins as against one defeat.

STOP, THE MAN SAYS but Lance Roberts, the Sandburg lad with 55 on his shirt, pays no attention and plumps in another two points for CS. All in all Sandburg put enough of these points together to defeat Reavis handily. That chap wearing No. 44 is Gary Bukovsky.

Eagle Five Wins Pair For Seven In A Row

BY GEORGE FREED

Carl Sandburg's high flying basketball squad racked up win number six and seven last weekend winning easily over Oak Lawn 69-33 and Reavis 62-41.

The two wins, both conference contests, put the Eagles in a tie for first place with Homewood-Flossmoor in the Southwest Suburban Conference.

Friday night the Orland Parkers, led by versatile Lance Roberts with 19 points, dealt the Spartans their worst licking of the season, more than doubling their opponents score.

Right behind Roberts in the scoring column was Dan Wasick with 17 points. Jim Levine got 12.

The Eagles made 41% of their shots from the field and 58% of their free throws while Oak Lawn's effort was 26% and 45%.

Leading 30-15 at intermission and 53-25 at the three quarter mark, coach Adams substituted freely in the last period.

DO IT AGAIN

Saturday night the Eagles stretched their unbeaten basketball skein to seven straight by walloping the Reavis Rams 62-41. Center Lance Roberts was top man in this one too, firing through 30 points. With this total, big Lance took the lead in the S.W.S. conference scoring race with 90 points. Stretched over the four games that figures to a fancy 22 plus points per game average.

FROSH-SOPHS WIN TOO

Ernie Sharpe, Pat Heniff and Co. led the young Eagles to two

conference wins over the weekend by taking Oak Lawn 47-35 and routing Reavis 52-37. These wins, like the two the "big fellows" had, gives the Frosh-Sophs a 4-0 conference record also.

COMING UP

The Eagles were scheduled to play the host team in the four team Bloom Tourney last night and with a win would play tonight (Thursday) against the winner of the Batavia, Marian contest for the Championship.

Friday night Sandburg gets back into conference competition when they host the Rockets from Rich East.

Next week the Carl Sandburg Eagle basketball squad will invade the Joliet Township High gym when they play the fourth game of the Joliet Holiday Tourney Dec. 28. The Sandburg squad will meet Joliet Catholic in the 8:30 p.m. battle Thursday night. The winner will meet the winner of the Hinsdale-Ottawa game at 8:30 p.m. Dec. 29.

The loser will meet the loser of the Hinsdale-Ottawa tilt at 3 p.m. Dec. 29. The winners of these two tilts will meet the winner of the upper bracket winners games and the winner of the upper bracket consolation games for the tournament championships.

Entered in the upper bracket are Riverside-Brookfield vs N. Chicago and Joliet Township vs Wheaton.

The championship games are scheduled at 6, 7:30 and 9 p.m. Dec. 30.

Warren Wood Is Seeking Re-Election

Will County Republican Precinct Committeemen received letters from Representative Warren L. Wood containing petitions that indicate he will seek reelection to his House Post.

Rep. Wood has served this county in the Illinois House of Representatives continuously since '34 excepting the World War II years when he served as a Naval officer afloat.

He was speaker of the House four terms consecutively when he significantly reduced the cost of operating the House, and adjourned each of those sessions in an orderly fashion with the people's business completed in advance of the Constitutional deadline, -- all unparalleled feats in the legislative history of this state.

Wood wants the privilege of playing a part in re-establishing the "Responsibility of Illinois" Legislative Branch of Government as can only be accomplished under sound Republican control." He also wants another

try at a Constitutional Amendment which he pioneered and almost passed that would place a ceiling on the amount a Legislative session could appropriate for the Biennial operation of State Government.

"A limit to the upward spiral of the cost of government must be had," Wood says, "Otherwise Government will soon become the master rather than the servant of 'We the People.'"

Warren Wood manages his farm at Elwood, is Vice-President of the Union National Bank in Joliet, and resides in Plainfield with his wife Janet and son Brian.

The 37th Representative District is composed solely of Will County. Each of 59 such districts selects three members to represent them in the General Assembly for a total House membership of 177. Holding top seniority among Republicans, Wood's leadership and influence is recognized and respected by both parties.

Paul Wunder Seeks 2nd Term As Appellate Clerk

Paul V. Wunder, 1015 Barthelme street, Joliet, who is just finishing his first term as clerk of the appellate court of the second district with headquarters at Ottawa, has announced he will seek re-election in the Republican primary.

He was elected first in 1956, succeeding the late Justus L. Johnson, of Aurora, who also was a Republican.

The second district is made up of 32 counties that takes in all of northern Illinois, except Lake and Cook counties. Wunder, who has a thorough knowledge of duties of his office has been doing an excellent job, according to observers. The number of judges has been doubled -- from three to six -- and two divisions of the court set up to more efficiently handle the case load -- but Wunder continues to operate his office with the same personnel as when three judges served the district and to give the same efficient service.

Wunder grew up in politics. His father, the late Paul V. Wunder Sr. served Will county as circuit clerk, a position which the son filled from 1940 to 1956. Paul, Jr. also helped manage many successful GOP campaigns in the area. At one time he headed the Illinois Association of County Officials and also the Illinois Circuit Clerks and Records Association.

When he ran for appellate court clerk in 1956 Wunder defeated his Democratic opponent by more than 280,000 votes and carried 31 of the 32 counties. He was outpolled only by President Dwight D. Eisenhower and Secretary of State Charles C. Warren.

Mr. Wunder is married to the former Leona Busch, of Joliet, and the couple have two daughters, Paula, 10, and Marcia 7.

JAZZ JAMBOREE FOR SCHOOL BANDS
Jazz Jamboree at Flossmoor, a "Best Band Contest" featuring high school dance bands and combos from all over Chicago and Illinois, will be held on Jan. 27 at Homewood-Flossmoor High School. Any high school dance band or combo up to 17 players may compete for cash prizes.

Dance band entries and inquiries should be sent to "Best Band Contest," Homewood-Flossmoor High School, 999 Kedzie, Flossmoor, Ill.

Agents Help Children Have Merry Christmas

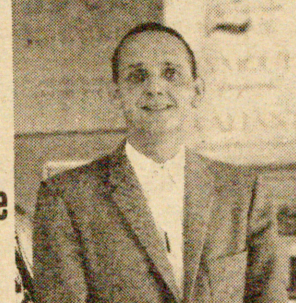

Insurance agents of an Evans-ton, Illinois, company have developed a tradition of sharing at Christmas time.

Two years ago, they gave up their Christmas gifts from the company to establish a four-year scholarship with the National Merit Scholarship Corporation.

In 1960, the scholarship was continued and in addition the agents extended their share of the Christmas spirit by "adopt-

ing" three needy children now provide monthly assistance through Foster Parents Plan, Inc. Through FPP, the agents to children in Italy, France and Hong Kong.

Bell Hour To Feature Yule Music

Lovers of Christmas music can take "A Trip to Christmas" on the Bell Telephone Hour tomorrow (Dec. 22) at 8:30 p.m. over the NBC-TV network.

The sparkling one-hour colorcast will be sprinkled with stars, John Raitt, Jane Morgan, the Lennon Sisters, Lisa Della Casa and others. TV star Jane Wyatt will guide the trip to Christmas.

John Raitt, one of the most talented and popular baritones of theater and television, will sing traditional and popular Christmas melodies, as will other members of the cast.

The Lennon Sisters, who gained fame as a quartet on the Lawrence Welk program, now are a trio--the oldest, Dianne, married last year, Lisa Della Casa, a star of the Metropolitan Opera, has appeared throughout Europe and South America.

Joining in the trip to Christmas will be Violette Verdy and Edward Villella of the New York City Ballet, performing a duet appropriate to the holiday.

A selection of religious works will be presented by the Schola Cantorum of New York, which is fashioned after one of the loftiest choral groups in Rome during the 5th Century. It is considered one of the eminent choral groups of the world.

Donald Voorhees and the Bell Telephone Orchestra will accompany the trip.

John Orr of NYC wants to know: "Who checks the tax returns of a tax collector?"

BANKING HAS CHANGED, TOO!

4%

IMPORTANT NOTICE

Under a new government regulation, the ceiling has been raised on bank interest rates. In accordance with our policy of sharing earnings with our customers, we are pleased to announce this new rate. Effective January 1, 1962, both of the undersigned banks will pay 4% interest on Certificates of Deposits dated on or after December 21, 1961 on amounts of over \$500.00. This does not apply to regular savings accounts. The interest rate on these will continue at the rate of 3% as in the past. We will pay 3 1/2% on certificates of deposits of 6 months and 4% on Certificates of 1 year. This all is in accordance with the new regulations handed down by the Federal Deposit Insurance Corporation and the Federal Reserve Bank.

COOPER SHOW FORD

Frankfort, Ill.

AREA CHURCHES ARE PLANNING SPECIAL CHRISTMAS SERVICES

(Continued from Page 1)

those attending the New Lenox Methodist church on Sunday, Larry Cullison, of New Lenox, home for the holidays from the University of Texas at Austin where he is studying for his master's degree and earning his way by teaching music will play Christmas music on the organ beginning at 10:30, which is 15 minutes before time for the regular service. He will play at intervals thru the service and again at the candle-light service at 11 Sunday night.

At Mokena the adult choir of St. John's church, under the direction of Norval Robinson, will sing a Christmas cantata at the regular worship service Sunday. The primary, kindergarten and nursery departments of the Sunday school will present their program Sunday evening at 7 o'clock. There will be services on Christmas day.

A Christmas cantata, "Love Transcending," by John W. Peterson, will be presented by the choir Sunday at 11 a.m. in the Park View Baptist church of Mokena. The public is invited. Christ Lutheran church at Orland Park will hold its Sunday school and worship services at their regular time on Sunday. The children's Christmas Eve service will be at 7:30 Sunday night and on Christmas day there will be a Christmas Festival service at 10 a.m.

The All Saints Lutheran church which meets now in the Orland Park grade school will have a service at 11 o'clock Christmas Eve with celebration of Holy Communion. At the 10:45 morning service, the fourth Sunday in Advent, the children will participate. At this time the youngsters will present their "white" gifts which will go to the infants in Augustana Nursery at Chicago.

INJURED IN FALL

Mrs. George Patterson, 9451 W. Elm Ave., Arbury Hills, suffered a fall in her home last week and was severely cut about the face. She was taken to the Hedges clinic in Frankfort where 10 stitches were required to close the wounds. She was released after treatment.

VERNE E. CRACKEL

School Head Is Seeking Re-election

Recognized by teachers and school administrators for his efficient handling of the duties of his office, Verne E. Crackel, Will County superintendent of schools, has announced he will seek reelection and is a candidate in the Republican primary. The primary will be held April 10.

"I have tried to serve all the schools in a professional way so that all the boys and girls of our county may enjoy the best educational opportunities that we can afford," Supt. Crackel said in making his announcement, "and I pledge to continue to try to achieve this goal."

Supt. Crackel has worked in the Will county schools for 34 years, 25 of them in the Crete-Monee system and nine as county superintendent. He has been a teacher at elementary and high school levels and has also served as a grade school principal, a high school principal, and superintendent of a unit district system. He has B.A. and M.A. degrees and has taken considerable work beyond the M.A. degree. He also holds a life supervisory certificate from the state. He belongs to many professional organizations and various service and fraternal groups.

Death And Injury Follow In Wake Of Freezing Rain

Icy pavements have been held responsible for numerous accidents in the past week.

Three area residents were hospitalized after a collision involving three cars last Saturday and later in the day an infant was killed and his parents seriously injured in a two car crash. Both accidents occurred on U. S. 30, one about a mile west of the intersection with U. S. 45 at Frankfort, and the other about a mile east.

Manuel Panici, 42, of Terry Ellen drive, New Lenox, is in St. James hospital with a broken leg, and a Mokena couple, Domenic Dina, 55, and his wife, Katharine, 52, 115th ave., were also taken to St. James. Mrs. Dina had severe cuts below the knees and it was necessary to take 25 stitches to close the cuts in her husband's face.

According to Chief of Police Frank Simon, of Frankfort, the first officer to arrive at the scene, Mrs. Dina was driving east and at the big curve where the present highway branches away from the old road, a car attempted to pass her. The driver of this vehicle, Harold Henry, 27, of Homewood, discovered that a west bound car was too close for him to pass and he tried to pull back into the east bound lane. In doing so, the report states, he struck the left rear end of the Dina car. The impact caused Mrs. Dina to lose control of her auto, according to the report, and it crashed head-on with a west bound vehicle driven by Panici.

Henry was reported uninjured.

In the other accident which took place about 4:20 Saturday afternoon, a car driven by Ervin Hand, 21, a U. S. sailor, apparently slid when he attempted to pass a truck, and according to information given State Trooper Earl Cantone, went out of control. Hand and truck were going west. The car went off the pavement on the south side of the highway and collided head on with a car driven by Roy G. Harmon, 21, River road, Lincoln Estates. Harmon, who was on his way to work at the Ford plant at Chicago Heights, was reported to have pulled off the pavement in an effort to avoid collision.

In the car with Hand was his wife, Sally, 20, and their five-week old son, Brett Michael. All three were thrown out of the car onto the roadway. The child was instantly killed and Coroner Willard G. Blood ordered the body taken to the Baskerville chapel at New Lenox. The parents were taken to St. James hospital in a semi-conscious condition. Because of their condition they were not informed of their son's death until Sunday. Their condition is now described as "fairly good."

Hand had been stationed in the east and had been transferred to the West Coast. His home is in Idaho and the family was heading for there to spend Christmas.

Harmon also was treated at St. James's hospital.

Board Sets Feb. 24 As Date For Bond Election

The Lincoln-Way high school board at its meeting last Thursday set Feb. 24 as the date for a special election. Caught the tide of an ever mounting population that is reflected in increasing size of classes, a board spokesman pointed out, another addition to Lincoln-Way has become a necessity.

On Feb. 24, the people of the district will be asked to vote on a bond issue to meet the cost of the proposed expansion of the school plant.

The size of the issue will not be known, however, until the architects complete their preliminary work and arrive at an estimate, according to Supt. A. Hunter Chapman.

A survey shows the 1960 population of the district was approximately 16,800, he said, while figures projected by a large corporation, that must keep up with population trends, indicates that by 1970 residents of the area will have increased

As of 1960 there were 6,400 persons living in the New Lenox area, 4,500 in the Mokena area, 3,400 in the Frankfort area and 2,500 in the Manhattan area. By 1970 the population of the New Lenox area is expected to have reached 10,900 while that of the Mokena area is given at 15,100 while Frankfort will have grown to 5,400 and Manhattan to 3,300.

In discussing the report covering population figures Mr. Chapman pointed out that the largest growth foreseen in the area would be around Mokena. This, it was explained, was largely due to further population gains in Arbury Hills. There are approximately 1,000 persons living in Arbury Hills now, according to the survey, and is expected to show a steady increase.

We extend to you our heartiest wish for a Merry Yule. William Bolker Const. Co. New Lenox

Servicemen To Be Treated Like Kings At Chicago USO

For the twelfth consecutive year members of the American Women's Voluntary Services will sponsor the Christmas Day festivities at Chicago's USO Center, 187 North Clark Street. Approximately 1500 members of the armed forces who will be unable to return home for the holiday season are expected to attend.

This year free phone calls home to spouses or parents will be provided for servicemen visiting the Center on December 24 and 25. The Center will be open all night Christmas Eve. The Communications Workers of America, locals 5002, 5003, 5004, 5006 and 5013 are helping to finance this project.

USO Junior Volunteers will escort servicemen to Christmas Eve church services. Following these services ham and turkey sandwiches will be offered at the Center's snack bar.

From 8:00 to 11:00 a. m. Christmas Day a breakfast of fruit juice, scrambled eggs, sausage, sweet rolls, coffee and milk will be served. Then from noon until 4:00 p.m. the traditional Christmas dinner, turkey with all the trimmings will be provided.

A Santa Claus from the AM-VETS, Cook County Council, District 1, will distribute gifts to all members of the armed forces present on Christmas Eve.

Carolers From Foundation Will Tour Countryside

Jingling sleigh bells and Christmas carols will fill the air on Saturday, Dec. 23, when friends of the Community Center Foundation join the Foundation family for the annual yule log ceremony. As has been the custom for many years, sleighs filled with carolers will tour through the villages and surrounding countryside. The sleighs (or hayracks according to the weather) will leave the center, Southwest highway at 127th street, at 7 p.m. Those who prefer, will gather in the Lodge while the carolers are enjoying the old fashioned sleigh ride.

All will return at 8:00 for the traditional lighting of the yule log in the great stone fireplace in the Lodge. Guests will join in the ceremony of throwing tiny twigs of evergreen on the blazing fire to symbolize the burning of all unpleasant thoughts and memories of the past year. This

custom was brought to Colonial America by early English settlers and is one of the charming customs observed each Christmas season at the Foundation.

Laurel and David Sproat of Marley will assist during the twig ceremony and the bringing in of the yule log.

The Rev. Paul T. Sanders, director of the center, and Frank Sanders, assistant director, will tell the age-old stories of the Nativity and favorite carols. There will be caroling around the hearth led by Jackie Sykes and Paul M. Sanders of Los Angeles who is spending the holidays here with his parents.

Dorothy MacFarland and Anne Techmeyer will assist Mrs. Paul T. Sanders in serving hot spiced punch and cookies during the social hour. All area residents are invited to join this evening of fellowship for the entire family.

Say Frankfort Post Office Parking Lot Swallows Alley

The contractors putting in the parking lot for the new post-office at Frankfort are allegedly trespassing on village property and what is to be done is now the problem of the village board as well as the owner and builders of the post office.

In building the parking lot the contractors took half, or eight feet of an alley along the west line of the property and have paved a curb. They were notified not to do this, according to village officials, but the contractors claim the work had been done before the notice was received.

The question is expected to come up for further discussion at the next meeting of the board which will be Jan. 8. The builders were quoted as saying it was their understanding that the alley had been vacated and half of it was conveyed with the sale of the property. Village officials point out there is nothing in the records concerning any vacation of this alley.

Tavern licenses were issued at the board meeting Monday to Mrs. Grayce Blaylock and Charles McManimen. No action has been taken yet on an application of renewal of a tavern license issued to Ted Massey. Massey obtained the license last year on the premise that he planned to open an establishment adjoining his gasoline station and motel at Routes 45 and 30. He showed plans to the board Monday night for a combination lounge and package store. He has an application now before the zoning board and until that is acted upon the village will not act on the license, it was said.

Massey is also planning to open a do it yourself laundry

Says Law Forbids County Loans To Build Sidewalks

(CNS) Cook County has no legal authority to lend money to school boards for building sidewalks along highways within one-half mile of school houses, the state's attorney's office ruled Thursday.

County Highway Superintendent William J. Mortimer had proposed to the board that it was legal the county should advance such money until the school boards could appropriate school funds and collect taxes under authority of an amendment passed in the 1961 legislative session.

Many requests for such help had been received from rapidly-growing schools. The law permits the county to pay for sidewalks only at the time a highway is built.

The opinion, written by Assistant State's Attorney Thomas A. Hett and approved by Edward E. Pludrak, head of the civil division of the state's attorney's office, points out there is no specific authority for such loans in the county's delegated powers.

"Nowhere is there conferred the power to loan funds from the corporate treasury for the purpose of building sidewalks," the opinion said. "So, also, the School Code does not contain a provision authorizing a tax levy for repayment of a loan from a county for costs of sidewalk construction."

"The courts have held on many occasions that a power withheld by the legislature is the same as if the exercise of that power were prohibited. Therefore, it is my opinion that the proposed agreement would be outside the authority of both the county and school district."

Moreover, the opinion added, "as an added restriction, the Supreme court has held that the members of the county board are civilly and criminally liable if they dispose of money not authorized."

Mokena Fire Dept. Meets

If an ambulance is needed to meet any emergency in Mokena the fire department inhalator truck is not to be used for the purpose, it was announced by Fire Chief Carroll Roberts at the last regular meeting of members of the volunteer fire department. If an ambulance is needed, the chief said, one would have to be called.

A report for the last half of November shows the department had three calls in that period, all for the inhalator.

Kenneth Warning and Stanley Williams reported the pre-Thanksgiving part at Muehler's tavern, and the Amvets dance for the fire department, were successful but no report as to the amount of money netted has been available.

The board of directors has decided to re-locate one of the fire phones. The instrument that had been at Dunham's store will be installed at the home of Roy Newton.

The next training night for department members will be Dec. 27, starting at 7:30 o'clock.

on his property. Trustee Daniel Hecht suggested that the village adopt an ordinance governing laundromats and it is probably that such a measure will be introduced in the council in the near future.

English Pudding Recipe Special For Holidays

Mrs. Leonard Patterson of Frankfort came to the United States from England and with her, she brought a Christmas pudding recipe, better known as Plum Pudding.

Plum pudding, England and the holiday are synonymous. Mrs. Patterson, active in civic affairs in the Frankfort area, is contributing her pudding recipe to this newspaper's "Holiday Fare", in an effort to share holiday goodies with its readers.

CHRISTMAS PUDDING
1/2 lb. suet (chopped fine)
1/2 lb. bread crumbs
1/2 lb. flour
1/2 lb. currants
1/2 lb. sultanas
1/2 lb. raisins
1/2 lb. brown sugar
1/4 lb. peel

3 eggs
1 tsp. mixed spice
1 orange
1 lemon, rind and juice of both
1 large grated carrot
Mix with ale or milk until well moistened. Stir and wish! Grease mixing bowls and sugar them. Fill about 1 inch from top. Cover with grease-proof paper and a cloth tied around the rim. Boil 8 hours, simmering, adding water as necessary, two or three inches. (An electric roaster works well.) This can be made ahead of time and stored in the freezer.

To serve -- Reheat in bowl; turn out on to platter. Pour brandy over top and ignite. Take flaming to the table. Serve with brandy butter (hard sauce).

ALVIN S. SORENSON, Village Clerk

BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF MOKENA, WILL COUNTY, ILLINOIS, AS FOLLOWS:

SECTION 1. That Section 3 of an Ordinance entitled "Village Ordinance No. 312, Proposed Zoning Ordinance, Village of Mokena, Illinois," approved September 3, 1940, be, and the same is HEREBY AMENDED by adding as Section 3 (a) the following:

"SECTION 3(a). Multiple Family Residence District Uses. In the Multiple Family Residence Districts, the only uses which may hereafter be established or expanded are:

(1) All uses provided for in Section 3 hereinafore, and (2) Multiple Family Residences. Provided, however, that the minimum size of lot, minimum setbacks and side yards, and density requirements shall be established by the President and Board of Trustees."

SECTION 2. This Ordinance shall be in full force and effect upon its passage and publication and posting according to law; and to consider an application to change the zoning use of the following described premises, to-wit:

Lots Twenty-Seven (27), Twenty-Eight (28) and Twenty-Nine (29) of Mcintosh's Addition to Mokena, in Will County, Illinois, from Residential to Multiple Family Residential uses, at which time and place you may appear if you so desire.

DATED at Mokena, Illinois, this 13th day of December, A.D. 1961.

ALVIN S. SORENSON, Village Clerk

Missionary Society Has Yule Potluck And Party

VIRGINIA SASS
Tel. HU 5-6424

The Marley Missionary society met at the Marley church on Wednesday, Dec. 13, for its annual Christmas potluck dinner and meeting. The hostesses were the officers of the society, Mrs. Russel Lauffer, Mrs. Daniel Sass, Mrs. Francis Nelson and Mrs. Loren Sass. Dinner was served at noon from tables festive with holiday decorations.

Instead of a gift exchange members took money to be given as a Christmas gift to a Baptist Missionary training student. The devotions telling the birth of Christ from the new English Bible were given by Mrs. Ian Brown. Mrs. Charles Stevert presented the program, "The Legend of the First Crèche".

The Marley Woman's club held its Christmas dinner party on Dec. 14 at the House of Ivy in Joliet. Dinner was served at noon. Following the dinner, secret pals were revealed with gifts and new ones were selected for the coming year. The Christmas program was presented, with Mrs. William Dudlick in charge.

Mrs. Daniel Sass entertained at a demonstration party in her home on Tuesday, Dec. 12. Mrs. Loren Sass was the co-hostess. Guests were Mrs. Charles Elliott, Mrs. Francis Nelson, Mrs. Clayton Cleveland, Mrs. Francis Peterson, Mrs. Everett Bell, Mrs. Steve Studnicki, Miss Doris Handorf and Miss Cora Hyink.

Mrs. Carrie Spiecker left on Dec. 7 for Santa Ana, Calif., where she will spend the winter months with her son and family, the Fred Spieckers.

Mr. and Mrs. Charles Elliott entertained their Canasta club at a holiday dinner party in their home Friday evening. Guests were Mr. and Mrs. A. W. Holmes and Mrs. A. C. Johnson of Chicago and Mrs. and Mrs. Charles Ballentine of Palos Heights.

Mr. and Mrs. Clifford Barry and family spent the weekend with relatives in Purdin, Mo.

Mrs. Russel Lauffer and daughters, Alma and Jean, attended a bridal shower for Miss Nancy Butler at the Donald Ha-

ley home in Clifton on Sunday afternoon, Dec. 10. Miss Butler will become the bride of George Haley, son of Mr. and Mrs. Donald Haley, on Dec. 22.

Mr. and Mrs. Wayne Peterson and family of LaGrange Park were supper guests Sunday evening in the home of Mr. and Mrs. Loren Sass.

Dr. and Mrs. R. C. Youngs and daughter, Kay, of Westchester, were entertained at dinner on Sunday in the home of Mr. and Mrs. Charles Elliott.

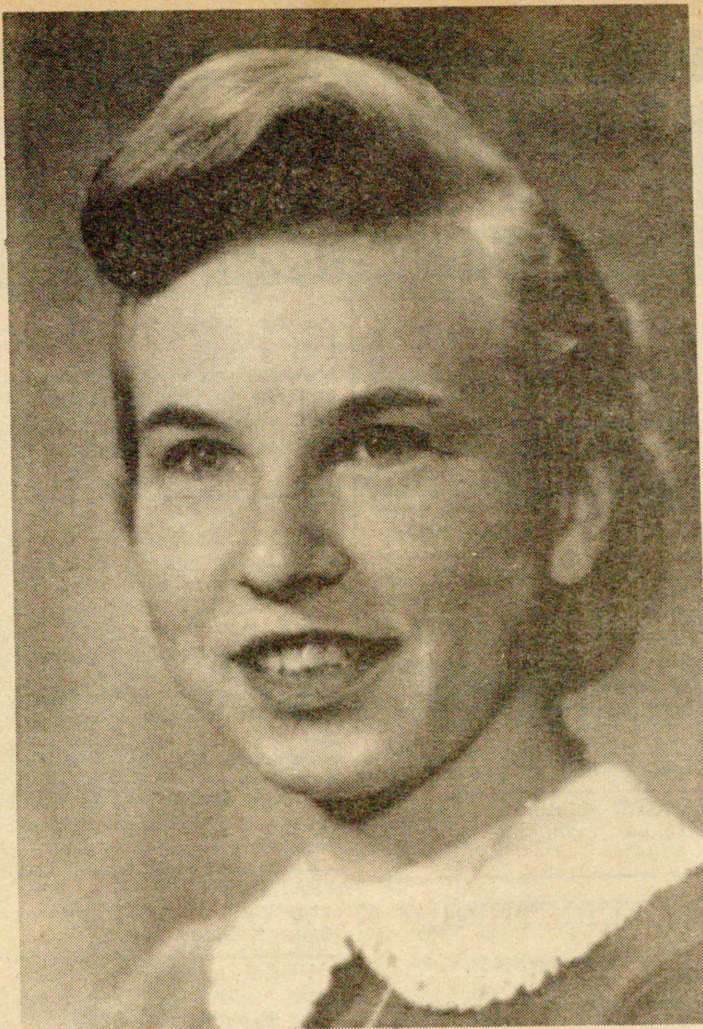

IN THE CHURCHES
MARLEY BAPTIST
Rev. Ian Brown, Pastor

Snow White Ballet To Be On WTTW

The fanciful world of SNOW WHITE will come alive in an hour-long ballet set to the music of Edward Grieg and performed by the Illinois Ballet on WTTW - Channel 11's FESTIVAL program, to be televised Christmas day from 9:30 to 10:30 p.m.

The two-act ballet will feature Elisabeth Herskind as Snow White; Frank Spolar in the role of Prince Charming; Biruti Barodicait as the Good Fairy; and Michele Lynn portraying the Wicked Queen. They will be supported by members of the Corps de Ballet.

Based on the age-old children's fairy tale, SNOW WHITE follows the tradition of the great classical ballets such as "The Sleeping Beauty" and "Swan Lake". Dom Orejudos, resident choreographer and principal dancer of the Illinois Ballet, designed the costumes and did the choreography.

ENGAGEMENT--Mr. and Mrs. Charles M. Stewart, 15800-113th St., Orland Park, announce the engagement of their daughter, Charlene, to James L. Bailly, son of Mr. and Mrs. James Bailly, of Lockport. Miss Stewart is a graduate of Carl Sandburg high school and is employed in office of Alexander-Smith Rug Co. at Clearing. Mr. Bailly is a student at the Valparaiso Institute of Technology. No date has been set for the wedding.

Contributions For Yule Seals Are Sought

A total of \$21,530.04 for the period ending Dec. 8 has been reported in the Will County Christmas seal campaign, according to figures released by Andrew A. Wicklein, Will county Christmas seal chairman.

Ted A. Massey of Frankfort and John Oster of New Lenox are members of the Association board of directors from this area.

They urge all who have not answered their Christmas seal letters to do so today. The contributions received help the Will County Tuberculosis association in its work to inform the individual and the community about tuberculosis and to help find solutions to the problems that confront patients, their families and the whole community.

PTA Entertains With Playlet By Teachers

MRS. KATHARINE HEISNER
Tel. Frankfort 5187

The PTA had its annual family night Christmas party Wednesday at the local grade school. A playlet, "Dickens Christmas Carol" was given by the teachers. Santa Claus came in and distributed gifts to all preschool thru eighth grade pupils.

Refreshments were served by the fifth grade mothers with Mrs. William Batson and Mrs. James Mc Lemore as co-charmen.

Mr. and Mrs. Ervin Schell-hase will entertain their family, Mr. and Mrs. Conrad Mark, Jr., and daughters of Manhattan and the James Lind family of Tinley Park at their home Sunday evening as dinner guests. On Christmas Day the Schell-hases will dine with the Lind family.

Mrs. Fred Schinkowski underwent major surgery in St. James hospital at Chicago Heights Wednesday morning.

The Band Boosters January meeting has been postponed until Monday, Jan. 8 at 7:30 p.m. in the grade school gym.

Arriving by auto last Saturday from Ennis, Mont., were Mr. and Mrs. Jack Watkins who will spend the holidays with their parents, Mr. and Mrs. Conrad Oetter. On Christmas Day the Oetters will have a family dinner. Other out-of-town guests will be their son and family, Mr. and Mrs. Donald Oetter and

family, of Metairie, La., and Mr. and Mrs. Kenneth Oetter and family and Donald Carroll and children.

Mr. and Mrs. Burnett Schram and family and Mrs. Bertha Nieland will spend Christmas Day with Mr. and Mrs. Joseph Hartung in New Lenox as their evening dinner guests.

About 20 relatives will dine with Mr. and Mrs. Lester Heisner at noon on Christmas Day.

Mr. and Mrs. William Seemann will have a family dinner at their home Christmas Day.

Mr. and Mrs. Herbert Minger are entertaining at a family gathering at noon when Mr. and Mrs. Dale Krohn and family of New Lenox and Mr. and Mrs. Wesley DePorto and children will be their dinner guests.

Sitters Cooperative Meet In Munday Home

MRS. EDWARD HOVE
Tel. Mokena 5740

There was a meeting of the Arbury Hills Baby Sitters cooperative at the home of Mrs. Donald Munday, 9431 Pine St. on Wednesday, Dec. 13.

The meeting included a clarification of, and additions to the existing rules of the group. Coffee and cake served by the hostess with the table decorated in the traditional holiday mood.

The meeting for the month of January will be held at the home of Mrs. William O'Neill, 19327 Oak St. on Wednesday, Jan. 10, at 8 p.m. Anyone who plans to attend the meeting, is asked to call Mrs. O'Neill at Mokena 5155 before the day of the meeting.

The December meeting of the Summit Hill Parent Teacher group was held at Summit Hill school on Thursday, Dec. 14.

The meeting included a discussion of the Christmas party to be held at the school on Thursday, Dec. 21. It will include Santa Claus and the usual Christmas festivities for the children.

After the meeting, the group was entertained by a choral group from Lincoln-Way high school singing traditional Christmas carols. There was a solo sung by an exchange student at Lincoln-Way who had come from Belgium.

The executive board of the PTG acted as the host for the evening. Each family present was asked to take one dozen cookies to the meeting.

The Bingo club has set the meeting date of its next ses-

sion for Jan. 4, Thursday, at 8 p.m. at the home of Mrs. Charles Fink, 9527 W. Rosewood Lane.

Mr. and Mrs. Jack Cook, 9424 W. Pine St., Mr. and Mrs. Donald Munday, 9431 W. Pine St., and Mr. and Mrs. Edward Blecha of 9425 W. Pine St., had an evening out in Chicago to see the new movie of "King of Kings".

The January meeting of the Arbury Hills Civic association has been changed to the second Tuesday, Jan. 9 at 8 p.m. because of the holidays.

The Girls club, which holds its meetings at the home of Mrs. Charles Fin, 9527 W. Rosewood Lane, had a bowling party at the Tinley Park lanes last Friday.

Frank Schudt Dies Following Long Illness

Mr. Frank J. Schudt, 66, a
lifetime resident of Tinley
Park, died Saturday, Dec. 16,
in Silver Cross hospital, Jo-
liet, after a lingering illness.
Mr. Schudt, who lived at
16827 New England ave., was
born in Tinley Park on May
29, 1895. He was employed
as an assembler at the Inter-
national Harvester Company.
Funeral services were held
Monday, Dec. 18, at the Zion
Lutheran church in Tinley Park,
with the pastor, Rev. Theodore
Schroeder, officiating. Burial
was in the First Lutheran cem-
etery, Blue Island.
Mr. Schudt is survived by
his widow, Amanda; two daugh-
ters, Mrs. Laverne Mancke,
Mokena, and Mrs. Dolores
Rauch, Orland Park; two sis-
ters, Mrs. Louis Lauffer, Mo-
kena; and Mrs. Augusta Yunker,
Orland Park; and four brothers,
Charles and William of Mo-
kena; Harold and Henry of
Beecher, also four grandchild-
ren.

Business & Finance

By MAURICE P. ANGLAND

For some time, leading bank-
ers have been predicting firm-
er interest rates in 1962. The
government recently confirm-
ed this prediction by giving
commercial banks the right to
raise interest paid on deposits
from a top of 3 percent, to 3 1/2
per cent on deposits made for
six months or more and to 4 per
cent on those made for a mini-
mum of one year. The permis-
sion to pay out the highest in-
terest as above, is to be effec-
tive after Jan. 1, 1962.

Naturally, commercial banks
are pleased with this ruling as
it permits them to compete for
funds on a better basis.

The ruling is said to be in
order to curb the foreign with-
drawal of funds by making U.S.
deposits more attractive. The
increase in interest rates on longer
term deposits, is likely
to have a general effect on longer-
term interest rates. Bond
prices, also are responsive to
such increases in interest rates
as there is a feeling that gener-
ally higher interest rates are
ahead.

Some analysts are expecting
an increase in rate paid on gov-
ernment bonds of medium and

TOT'S ACCIDENT PROMPTED TREE LIGHTS

Christmas tree lights were
"born," according to some re-
ports, after a little boy crawled
under his Christmas tree and
upset a candle. Luckily, only the
lad's hair was singed.

The child's father, a tele-
phone man, decided that the
candles would have to go. In
their place, he soldered several
dozen switchboard lamps to
wires and covered them with
brightly colored paper.

Thus, safer, brighter lights
replaced candles on Christmas
trees.

issued so as to prevent the
plate from swinging and at a
height not less than 12 inches
from the ground, measuring
from the bottom of such plate,
in a place and position to be
clearly visible and shall be
maintained free from foreign
materials and in a condition to
be clearly visible.

Secretary Carpentier said he
will discuss with State Police
the inauguration of an enforce-
ment drive against improperly
displayed plates.

ANNOUNCE ENGAGEMENT - Mr. and Mrs. Henry C. Bormet
of Orland Park announce the engagement of their daughter,
Carol Ann, to Richard A. Hedke, son of Mr. and Mrs. Alvin
Hedke of Mt. Prospect. The prospective bride is a graduate of
Carl Sandburg High school and has attended Concordia Junior
College in St. Paul, Minn. She is now attending Concordia
Teachers College in River Forest and will receive her Bachelor
of Science degree in education in May. Mr. Hedke has attended
Concordia Teachers College and is now employed by the North-
ern Illinois Gas Company in Glenview. He is also enrolled at
the University of Chicago where he is studying to complete his
Bachelor of Science degree in education. A July wedding is
planned.

Warns Motorists About Hiding License Plates

Secretary of State Charles
F. Carpentier cautioned motor-
ists carrying trailer hitches on
their cars to make sure the

hitches are mounted in such a
position that they do not obscure
a portion of the rear license
plate.

The growing popularity of
boating in recent years has
resulted in a substantial in-
crease in cars equipped with
trailer hitches, and in many
cases they are mounted so that
the ball of the hitch extends
above the bottom edge of the
license plate, Mr. Carpentier
pointed out. This, he said, is
in violation of the law.

Section 3-411, paragraph b,
of the Motor Vehicle Law reads,
"Every registration plate shall
at all times be securely fas-
tened in a horizontal position
to the vehicle for which it is

Youth Needs To Improve Fitness

(CNS) Shocking statistics re-
garding the lack of physical fit-
ness in American youth were
revealed by Gov. Otto Kerner
in an address this week before
the Governor's Conference on
Physical Fitness at the St.
Nicholas Hotel, Springfield.

"We must realize," he said,
"that we are raising generation
after generation of Americans
who seem not to have the spirit
and strength of their forefathers.
Almost half of the boys in the
nation called for military pre-
induction physical examinations
in September were rejected."

At the same time 36.9 per
cent of Illinois boys were re-
jected, he added.

Deterioration in physical de-
velopment of American youth
was demonstrated again in 1956
through a series of tests. It
was found that 58 per cent of
American youth failed one or
more of the tests given, while
less than nine percent of Euro-
peans failed.

The state's economy is tied to
its level of fitness, the gov-
ernor said, because "healthy citi-
zens lose fewer work hours,
are more efficient and energetic
and spend less money for medi-
cal service. We must be will-
ing to work for the physical en-
durance upon which, indeed, our
very lives may well depend."

longer maturities.
Business news for the year
end makes interesting reading
for investors.

Merchants are reporting that
customers started their holiday
shopping early this year with
greater spending than anticipat-
ed in both soft goods and hard
goods. The so-called "big
ticket" lines as household ap-
pliances as well as more ex-
pensive general lines, have been
better than was generally ex-
pected. The total holiday trade
is expected to be about 5 per
cent greater than last year.

Investors some times over-
look the fact that an increase
of 5 per cent over budgeted sales
can result in net profit very
much greater than the increas-
ed amount's proportion of total
business as the budgeted sales
would be charged with expected
operating costs and gross profit
on sales increase would re-
flect a greater net profit impact.

The stock market has been
mixed. Some attribute this to

last minute switching to estab-
lish tax losses or gains.

Trade news indicated auto-
mobile sales will end the year
on a very optimistic note. Re-
ports are that the sales are in
higher priced models to a much
greater extent than had been an-
ticipated by many observers.
This has provided a stimulus
for raw material suppliers and
services (railroads, etc.) bene-
fitting from this business in-
crease.

A number of the leading in-
vestment advisory services are
advising retention of invested
positions and careful additions
added.

It is pointed out that the
heralded increases in Federal
spending will be felt early next
year and should add to the strong
boost in business.

The top administration eco-
nomic adviser, Walter W. Hel-
ler, interviewed for U. S. News
and World Report, Mr. Heller
stated that he believed the con-
sumer is the major force in the

recovery and is acting about
as he usually does in a recovery.
He states that the consumer
usually lags behind the business
recovery, in his spending, be-
fore he responds to increased

income. Mr. Heller states it is
one of the eternal verities of
economic behavior that when
the individuals disposable in-
come goes up, he spends the
great proportion of it.

FROM VALLEY VIEW FARM

We Are Proud To Introduce
Our New Chef Deming
Who Brings With Him To
Valley View Farm Experience
And Quality Culinary Arts

CHEF DEMING

Chief Deming, a European chef, was born in France and trained in Switzerland at the world-famous international Ski-Tow. He spent 17 years as chef with the Statler Hotels, and also the Edgewater Beach Hotel in Chicago. Chef Deming's career was partially spent at the Officer's Club in Washington, D.C., where he had the opportunity to serve Presidents, Generals and many foreign dignitaries. Chef Deming also holds membership in the exclusive International Chef Cuisine. He is expertly trained and experienced to serve French, German, Swiss and American cuisine to satisfy the most discriminating tastes. We know that you will welcome Chef Deming with us.

NO REGULAR CLASSROOMS for social studies at Lincoln-Way high school so teachers and students move about. In the upper photo is a class under Ronald Larsen, meeting in the cafeteria; center photo show Kevin McGivern conducting a class in the auditorium and at the bottom is a class in the all-purpose room under the direction of William Edwards.

## Lincoln Way Cites Need Of More Classrooms

Lincoln-Way High School faces the challenge to maintain educational excellence in this rapidly growing section of Illinois. One of the pressing problems for the community high school is keeping up with the expanding student population. Just five years ago Lincoln-Way had an enrollment of 465. Now the student body numbers 850. Next year the enrollment will reach 1,000.

Lincoln-Way is stretching every resource to meet the need with the most sensible investment of local and state funds. The Social Science department is teaching about 550 students every day in areas not designed for instructional purposes. The history classes meet in the auditorium, the all-purpose room, and the school cafeteria. Lunch is the only interruption of the teaching schedule in the cafeteria and the all-purpose room.

One of the best investments at Lincoln-Way is the all-purpose room which serves as a student meeting place prior to the opening bell in the mornings, classroom and overflow cafeteria during the day and the meeting place for state and local meetings at night. This type of construction has saved the Lincoln-Way taxpayer considerable during the past two or three years.

Team teaching in the social science department has made possible the use of unusual areas at Lincoln-Way. Kevin McGivern, head of the Lincoln-Way social science, instituted the program just two years ago. It has not only been a saving factor in the overcrowded classroom conditions, but is considered a fine method of teaching.

The 550 students who receive instruction in the areas each day seem to be unhampered by the different surroundings. This is due largely to the introduction of new teaching tools; such as, the overhead projector, small student discussion groups following the large group instruction in the auditorium and visual aids created by the Lincoln-Way staff.

This department will feel the pinch of increased enrollment at Lincoln-Way next year. There will be needs for some classrooms or some other arrangements within the next year in spite of the large amount of room in these unusual areas. Most of the departments at Lincoln-Way are facing the

### PERSONALIZED GIFTS

A little bit of time and a small amount of paint are all you need to add a distinctive personal touch to gifts for some of the "special" individuals on your Christmas list. By adding a few decorative designs with paint you can transform a simple item into a treasured present. Little designs, first names, initials that you can do so easily yourself are extra-cost items if you purchase them as ready-made presents.

Gift shops, novelty and notion counters are brimming with possibilities for making attractive presents. Small apothecary jars enamelled in gay colors make ideal spice sets. When the enamel is dry, label each jar in large, easy-to-read contrasting letters. A just-right gift for the culinary expert on your list. The same assortment of jars labelled for nails, bolts, screws and the like will make a fine present for a do-it-yourself enthusiast.

To please a garden enthusiast, pick up a few gardening tools at the hardware store. Coat the handles in a bright colored enamel, and later add a few decorative designs. You will actually be doing the receiver a double service, for the colorful handles will make the tools easier to spot in the grass and serve as identification for borrowing neighbors.

Paints which come in handy aerosol spray cans are ideal for painting small items, are as simple to use as shaving cream or hair spray.

## Keep Children Busy As Holiday Nears

Children get bored during the Christmas season. Sure, Christmas is a season of excitement for the young ones. The trouble is they get so excited waiting for Santa to come that they become impatient--and need something to occupy their time.

The wise mother will give them something to do. Children enjoy making things with their hands. They are anxious to help decorate the house and the tree.

Many parents brush them aside, saying, "You are too little"--and the children are left with their boredom.

Give the kids a chance to help. Put them to work with a cookie cutter. Draw simple designs on cardboard for them to cut out and color. Let them paint holiday messages on boiled eggs with water colors.

They will be happier and, once you get them started, you will find that you have more free time of your own.

## Warren Wood To Run Again For Illinois Legislature

Will County republican precinct committeemen have received letters from Representative Warren L. Wood containing petitions that indicate he will seek reelection to his house post.

Rep. Wood has served this county in the Illinois house of representatives continuously since 1934 excepting the World War II years when he served as a naval officer afloat.

He was speaker of the house four terms consecutively when he significantly reduced the cost of operating the house, and adjourned each of those sessions in an orderly fashion with the people's business completed in advance of the constitutional deadline, - all unparalleled feats in the legislative history of this state.

Wood wants the privilege of playing a part in re-establishing the "responsibility of Illinois' legislative branch of gov-

ernment as can only be accomplished under sound Republican control." He also wants another try at a constitutional amendment which he pioneered and almost passed that would place a ceiling on the amount of money a legislative session could appropriate for the biennial operation of state government.

"A limit to the upward spiral of the cost of government must be had," Wood says, "otherwise government will soon become the master rather than the servant of 'we, the people.'"

Warren Wood manages his farm at Elwood, is vice-president of the Union National Bank in Joliet, and resides in Plainfield with his wife Janet and son Brian.

The 37th representative district is composed solely of Will county. Each of 59 such districts selects three members to represent them in the general assembly for a total house membership of 177. Holding top seniority among Republicans, Wood's leadership and influence is recognized and respected by both parties.

The first American Christmas card is believed to have been used by Peaslip Great Variety Store, Louis Prang, who issued the first line of Christmas cards in the United States in 1857, is said to be the "Father of the American Christmas Card."

## Odd Lots Of Real Estate To Be Offered At Auction

(CNS) Sale at a public auction of 20,000 small tax delinquent parcels and bidding in by Cook county if no buyers appear was urged Monday by Commissioner Frank Bobrytzke,

chairman of the Cook county board's committee on delinquent taxes.

These are 20,000 tiny, odd-shaped properties, ownership claims which are abandoned, because they have little commercial value. These "slivers," as they are called, were formed when right-of-ways were acquired for highways and railroads which run at an angle. Under law, the parcels must be taxed each year. This costs an estimated \$15 a year per parcel.

Under a 1955 amendment to the state revenue act, the state's attorney can ask for a public sale of three properties. If there is no bidder, the county can buy them and since county-owned property is not taxable,

the cost of taxing them would be eliminated. Later, a buyer could possibly be found, such as the owner of the adjoining property, and he would only have one tax bill for the combined properties.

When unpaid taxes far exceed the worth of the property, the committee's procedure is to instigate a friendly foreclosure suit. When the property is put up for sale, the equity holder bids an amount previously agreed on by the committee. Bids now average 43.4 per cent of the principal tax for 1946 and prior years, plus all taxes and penalties for 1947 and succeeding years.

Most delinquencies date, back to 1928, the year of the general reassessment which delayed payments more than two and a half years. However, 15 per cent of the cases date as far back as 1878.

When the committee was formed, real estate taxes in Cook county were about 30 per cent delinquent. For 1958 and prior years, the delinquency is only one half of one per cent. Collections as of Dec. 1 on 1959 taxes amounted to 98,648.00 per cent, and on 1960 taxes, 97,643.10 per cent.

FRANKFORT LEGION post presents Christmas tree to the Chamber of Commerce for community use. The Chamber now has the job of decorating the tree to reflect the Yule spirit. At the left is Frankfort's mayor, George Sang-

meister, shaking hands with Ted Lutger, commander of Bobzin-Swinford post, American Legion, and between them is Ralph Shaw, president of the Frankfort Chamber of Commerce. The tree will stand in front of the Village Hall.

### ABOUT NAZARETH

Nazareth, the chosen city and one of Christendom's holiest places, was once so insignificant that the term "Nazarene," was applied to Jesus Christ in derision. When Jesus called his first disciples, Philip of Bethsaida was chosen and Philip happily informed Nathanael, "We have discovered the One about Whom our scriptures speak. He is Jesus of Nazareth, and son of Joseph." And Nathanael replied, "Can anything good come out of Nazareth?" But when Nathanael came to Jesus, Jesus spoke to him and Nathanael exclaimed, "Thou art the King of Israel." Nathanael returned to Nazareth in the company of a few chosen disciples as Jesus was to begin His ministry in the land He loved so well.

### EVERGREEN IDEA

According to an ancient Norse belief, an evergreen on the door will keep out witches -- which may or may not have something to do with the fact that a giant, 22-foot, 1,000-pound wreath was hoisted onto the Metropolitan Museum in New York for the 1958 holiday season.

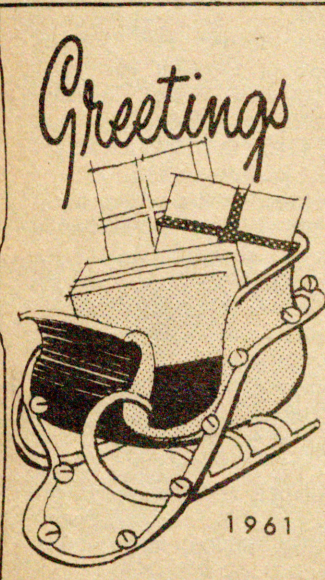

### CHRISTMAS

All good wishes to our many patrons. We hope your Christmas will be a merry one and in the years to come you will remember it with great pleasure.

## How To Give Party That's Accident-Proof

Children's Christmas parties can be the most delightful occasions on earth — or they can become very disappointing, unhappy times for the child or his young guests. Purely unavoidable little accidents happen easily in the excitement of a party, and sensitive youngsters suffer real embarrassment when everyone notices their misdeeds.

Holiday parties should be "easy-on-Mother" too. A menu you can prepare in advance and some planned games to channel the children's energy will help to avoid last-minute rush.

Simple, inexpensive, and easily assembled decorations can be substituted for ready-made, more costly trimmings. Some of these decorations have dual purposes — to add to the festivity and be "accident-proof" at the same time. Spills and stains can be minimized and injuries to youthful pride can be eliminated if a few precautions are taken when planning the party decorations.

For your party menu, try sandwiches with ham or chicken salad, peanut butter, or cream cheese and jelly fillings. Trim the crusts from the bread and quarter the sandwiches for easy

handling by your young guests. Prepare in the morning, wrap in clear, economy lunchbox wrap, and refrigerate until party time. Serve garnished with chilled celery and carrot sticks. And of course, you'll want to serve cake and ice cream for dessert.

Set aside a game area large enough so the participants aren't crowded. Too small a room can result in pushing and falls and perhaps a few tears. If space is a problem at your house, plan quiet games in which children take turns one by one while the others watch.

An example of a busy, quiet game is an up-dated version of "Pin-the-Tail-on-the-Donkey" called "Stock-the-Donkey" or "Stock-the-Daisy," perfect for little girls' parties. Small boys might prefer changing the idea to "Stick-the-Bulls-Eye-on-the-Target" or something equally appropriate.

The game is safe because straight pins which might otherwise find their way into small fingers, aren't needed to fasten the centers to the daisy.

These perky centers which adhere to surfaces without benefit of pins are pre-tied, sticky-backed Lurex bows, available

CHRISTMAS PARTY TIME--This variation of the old "Pin the Tail on the Donkey" game is one of the fun highlights of the plan for a children's Christmas Party that is hazard-free. Read the accompanying story for complete details.

in several brilliant metalized colors. Insert name tabs in the center of the bows with colored pipe cleaners to identify the winner — the child who places his bow closest to the daisy's center.

The daisy is easy to make, too. It is simply a large flower cut from brightly colored gift

wrap paper — perhaps to match your party scheme. The daisy should be backed with a thin sheet of cardboard and attached to a wall at child-height. You can use household masking tape or suspend the flower from a picture hook using wire.

Perhaps you will want to keep the daisy game after it has been used at the party. Besides adding a new color interest to a child's room, it will give him much pleasure as a reminder of a happy event.

A hint for the games — provide plenty of inexpensive gaily wrapped "prizes" for all who participate in the games. Even the child who unhappily announces that he "never wins" will be pleased if there are a few "consolation prizes."

Children delight in balloons. Hang groups of them in clusters and distribute them among the guests at party's end as another take-home souvenir.

Another colorful Christmas decoration can be made from two of the metallic bows used in the daisy game and a bit of matching ribbon. Place two of the bows back-to-back and suspend them from the ceiling by the ribbon. Since they won't crush or tarnish when stored, the "hanging bows" can be saved for parties in other seasons.

And whoever heard of a children's party without party hats? Paper foil party "nite-caps" can be fashioned from 12 1/2" squares of foil gift wrap. Cut a semi-circle from the lower left to the upper right corners. Tape together in a conical shape and fold over the top of the hat about four inches. Trim with matching or contrasting bows.

Plastic-coated paper cups and plates, paper napkins, and plastic forks and spoons are appealingly colorful and easy on kitchen-clean-up duty too. By using disposable tableware, you can protect your dishes and glasses from breakage, and give party-ish pleasure to the children at the same time.

Place mats made of gift paper and covered with transparent saran film are fun for the children while they protect your table linen from spills and stains. Fastening a bit of cardboard to the back of the gift paper makes the mats sturdy enough to be taken home by the young guests and re-used daily at lunchtime. The mat can be wiped with a damp cloth after each use because the crystal clear plastic wrap is air and water-tight.

Complete your table appointments with placemarkers,

## Palos 4th Among Twps. In Building Permits

(CNS) Stickney for the fourth month in a row continued to lead south and west suburbs in building permits issued in November in unincorporated areas by the County Building Department.

Stickney issued 51 permits with an estimated valuation of \$792,000 compared with 72 permits and \$705,600 in October. In November 1960 Stickney issued 49 permits valued at \$447,250. The breakdown: 30 residential permits with sewers \$560,000; four additions or alterations, \$12,000; fourteen ac-

cessory buildings, \$28,100; one business permit with sewers, \$159,600; two business additions or alterations, \$34,500. Worth continued in second place with 26 permits, \$535,800, compared with 23 permits and \$389,600. Issued were: 2 residential with septic systems, \$34,600; seventeen with sewers \$349,200; one addition, \$6,000; three accessory buildings, \$5,000; one industrial permit with sewers, \$132,200; one industrial addition or alteration, \$3,400; one business, \$5,400.

Lyons moved up into third place with 12 permits at \$138,800 compared with fourth place with 19 permits and \$155,460. Breakdown was: 2 residential permits with septic systems, \$42,600; three with sewers, \$72,800; four additions or alterations, \$14,600; two accessory buildings, \$2,800; one miscellaneous permit, \$6,000. Sixty-five no fee permits for changes to sewers were also issued.

Palos jumped into 4th place with 5 permits valued at \$66,500 from 10th place with 4 permits and \$19,500. Breakdown: 1 residential with septic system, \$33,000; three additions or alterations, \$33,000; one septic system, \$500.

Lemont in fifth place with 3 permits valued at \$42,600 compared with 4 permits and \$53,200; issued two residential permits with septic systems, \$40,700; one accessory building, \$1,900. Lemont also issued one no fee permit for a church, \$2,600,000.

Bloom dropped to 6th place with 4 permits valued at \$26,900 compared with 3rd place and 9 permits valued at \$365,000. The breakdown: 1 residential with septic system, \$22,000; two additions or alterations, \$3,000; one accessory building, \$1,900.

Rich issued two permits valued at \$26,450; one residential with septic system, \$26,200; one addition or alteration, \$250. In October Rich issued 3 permits at \$33,400.

Bremen's five permits at \$24,700 covered: 4 residential additions or alterations, \$16,700; one accessory building, \$8,000. October's figures, 10 permits at \$113,500. Bremen issued a permit for a fall out shelter valued at \$2,000.

Thornton issued 3 permits valued at \$6,600 compared with 3 in October at \$21,300; one residential addition or alteration, \$2,000; one accessory building, \$2,200; one business alteration, \$2,400.

Orland issued one permit for a well at \$1,000 compared with 4 permits in October at \$40,700.

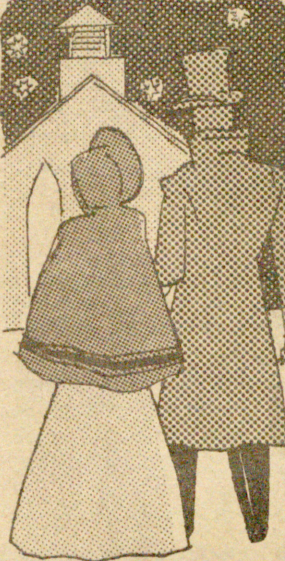

Proviso and Calumet did not issue any building permits.

# Heres The Inside Story Of "Holiday In The Sun"

SEMMLER NEWSPAPERS  
Page 5 Thursday, December 21, 1961

For some weeks now, the readers of the Golden Triangle Newspapers have been reading about the "Holiday In The Sun" tour which the newspapers are

sponsoring.

You have seen some of the many exotic places which this tour will include and probably

now you have a number of questions about the tour. Here are some of the answers.

First of all, the "Holiday In The Sun" tour is not a prize or a lottery, it is simply a once-in-a-lifetime opportunity to enjoy a first class, luxury tour of Spain, Portugal and Tangier at an astounding savings.

The total price of the 16 day trip, which leaves O'Hare Field March 3 and returns March 19 is \$628.28 and includes deluxe accommodations at the finest hotels, three complete meals every day and an English-speaking, personal guide on all

the sightseeing tours.

The Golden Triangle Newspapers are sponsoring this tour in order to establish a group tour rate at a price that is more than 25% cheaper than the individual tour rate. Trans World Airlines provides the group flight at a reduced rate to increase their air traffic on the 707 Super Jets while the Spanish and Portuguese Governments arrange low rates to encourage American Tourists to visit their country.

Melia Tours Inc., one of the largest in Europe, provides bus transportation between cities on the mainland and the ferry ship to Tangier as well as all the tour accommodations.

8 DAYS TO SWIM

If you look through the itinerary of the tour you will see that there are seven major stops on the 16 day trip. They are Madrid, Granada, Malaga, Tangier, Cadiz, Seville and Lisbon. The tour is expressly planned to

provide one full day of free time in every one of these charming cities to sightsee, relax, swim or what you wish. There will be eight days on the tour which will be ideal for swimming, either in the ocean or at one of the luxury hotel pools.

THE COUNTRIES

Spain is a land rich in color, sun and poetry. You will visit there the heart of Andalusia, Seville, Cordoba and Granada, Madrid, the cosmopolitan capital of the nation, and the most modern city in Spain, and Toledo, the old capital of the empire where the monuments and shrines will remind you every moment of its glorious past.

Portugal is a friendly country where you will see picturesque Lisbon, a modern city and busy port, like Rome built on seven hills by the Tagus river. It is one of Europe's most beautiful capitals.

At Tangier, the moment you

cross the Strait of Gibraltar; you enter another world. Tangier, the city that through the centuries has kept the real Arabian atmosphere combined today with its modern way of living. There you will find the amazing contrast of the modern hotels and night clubs in the new residential area and the exotic Arabian quarters and markets.

THE TOUR ITSELF

The tour will begin at O'Hare field where the TWA Super Jet will leave for New York at 3 p.m. and arrives the next morning in Madrid at 9:30 a.m.

Here is the itinerary:

FIRST DAY: Leave NEW YORK via TWA Super Jet.

SECOND DAY: Arrive MADRID in the morning. Transfer from Barajas Airport to Hotel Plaza for lunch, dinner and accommodation. Afternoon sightseeing of touristic Madrid. See the Plaza Mayor, the Retiro Garden, the Modern Univer-

ONLY THE BEST--For accommodations, travelers on the "Holiday In The Sun" can expect only the best. A good example is shown in this photo of the Hotel Plaza in the heart of Madrid, the first stop on the tour.

sity, etc.

THIRD DAY: In MADRID breakfast and dinner at the HOTEL. Full day excursion to Toledo. Visit the old capital of Spain and have lunch at a typical restaurant.

FOURTH DAY: In MADRID breakfast lunch and dinner at the hotel. Day free for shopping and personal activities.

FIFTH DAY: Leave MADRID after breakfast and drive thru New Castle to Valdepenas for lunch. Continue in the afternoon to Granada.

Arrive GRANADA early in the evening for dinner and accommodation at Hotel Nevada Palace.

SIXTH DAY: In GRANADA breakfast, lunch and dinner at the hotel. Full day of sightseeing; visit the famous Alhambra, the Generalife, the Arabian Towers, the Cathedral and the Royal Chapel.

SEVENTH DAY: Leave GRANADA, depart after breakfast. Drive along the mountains to the beautiful resort of Malaga for lunch. City sightseeing in the afternoon. Dinner and accommodation at Hotel Miramar.

EIGHTH DAY: Leave MALAGA after breakfast and drive along the "Costa del Sol" to Algeciras. Leave Algeciras by ferry boat in the morning to Tangier.

Arrive TANGIER two hours later. Transfer to Hotel Velazquez for lunch, dinner and accommodation.

NINTH DAY: In TANGIER, breakfast, lunch and dinner at the hotel. Morning sightseeing of the city visiting the Casbah, the ancient Palace of the Sultan, the Bazaars, etc.

TENTH DAY: In TANGIER, breakfast, lunch and dinner at the hotel. Free day for shopping and relaxing.

ELEVENTH DAY: Leave TANGIER, after breakfast transfer to the steamer pier and depart by ferry to Algeciras. Transfer from pier to Hotel Reina Cristina for lunch. Proceed in the afternoon from Algeciras by motorcoach to Cadiz.

TWELFTH DAY: Leave CADIZ after breakfast and drive to Jerez de la Frontera (sherry) the famous wine center for lunch. Visit one of the wine cellars. Proceed in the afternoon to Seville.

Arrive SEVILLE early in the evening for dinner and accommodation at Hotel Madrid.

THIRTEENTH DAY: In SEVILLE, breakfast, lunch, dinner and accommodation at the hotel. Full day city sightseeing featuring the Giralda Tower, the Alcazar, the House of Pilatus, etc.

FOURTEENTH DAY: Leave SEVILLE after breakfast and

drive to Badajoz for lunch. Proceed to Lisbon in the afternoon.

Arrive LISBON early in the evening for dinner and accommodation at Hotel Fenix.

FIFTEENTH DAY: In LISBON, breakfast, lunch, dinner and accommodation at the hotel. Morning city sightseeing, featuring the Belem Tower, the Bullring, St. George Castle, etc.

SIXTEENTH DAY: Leave LISBON, breakfast and lunch at the hotel. Transfer in the afternoon to the airport for departure via TWA Super Jet.

Arrive NEW YORK in the evening.

WHY IT CAN BE DONE

As you can see, "Holiday In The Sun" is a first class tour and at \$628.28 it is a considerable bargain. One of the reasons for this, is the seldom explained fact that the Spanish Government will not allow hotels and resorts (like the Hotel Miramar on the Spanish Riviera at Malaga for instance to dismiss any employees because of a lack of business. They therefore encourage in every way, an increase in tourist visits.

During March, which is not the peak tourist season, "Holiday In The Sun" travelers will enjoy two important advantages. One, they will see the natives of these interesting countries living their regular daily lives, and not living in the considerably different manner that is presented during the "season". Secondly, and most important, "Holiday In The Sun" travelers enjoy the benefit of off-season prices.

The \$628.28 cost of the tour includes food, accommodation and all the sightseeing, as well as tips, taxes and the English-speaking guide.

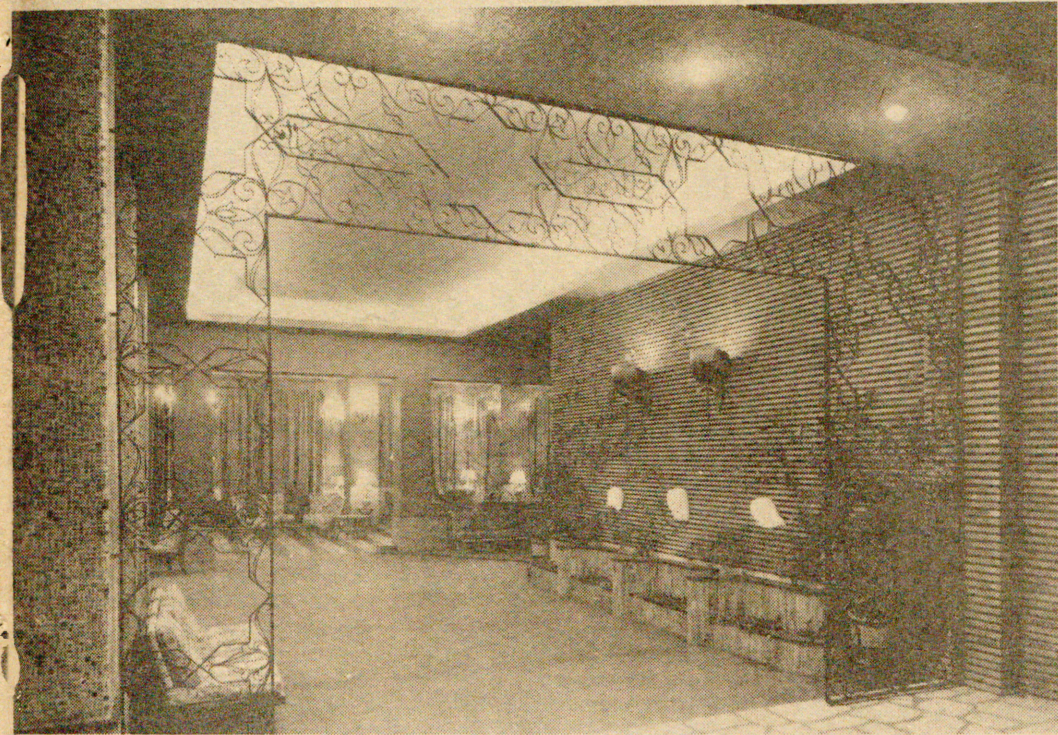

Hotels are specified in the itinerary and are first class. Travelers will be assigned two to a twin-bedded room, complete with private bath. In the hotels, meals will be eaten when you wish to eat. A continental breakfast and a table d'hote (choose from the men) lunch and dinner will be provided throughout the tour.

The Joliet Travel and Tours Agency, which is in charge of arrangements says, "If you wish, you could thoroughly enjoy the whole 16 day trip, eat, sleep and sight-see wherever you wish, without taking an additional penny."

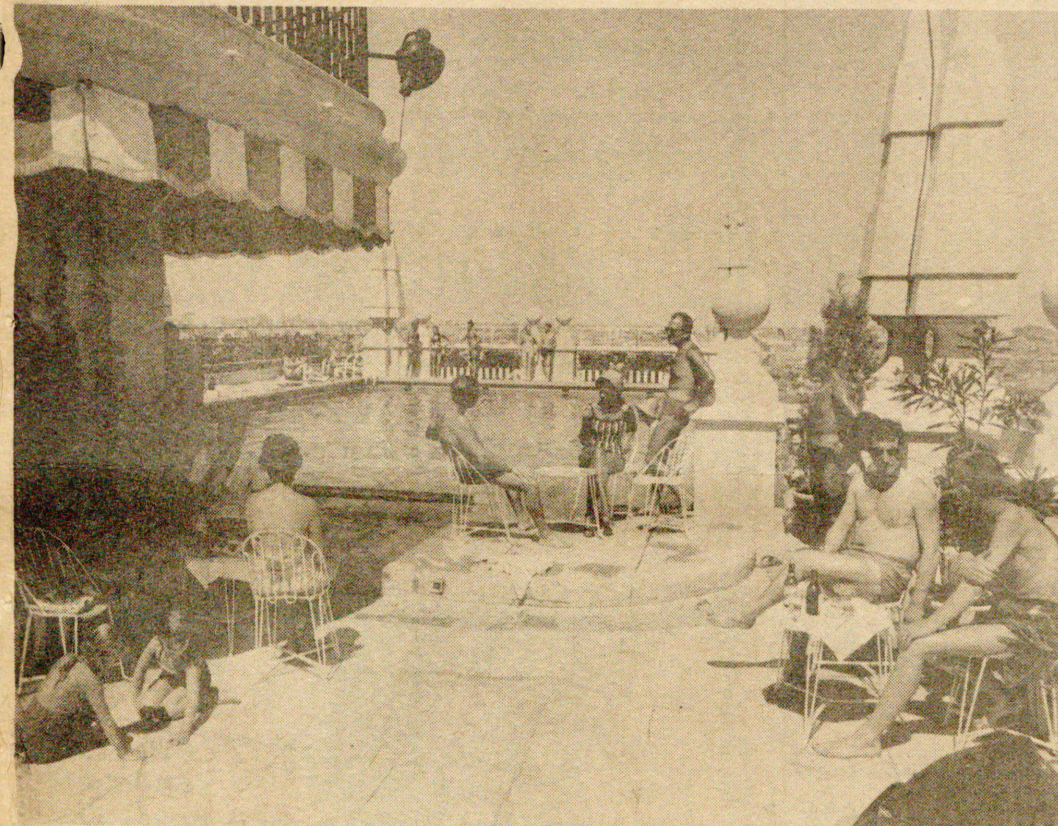

How is the actual cost of the tour arrived at . . . well, the round trip plane fare is \$474.40, compared with the regular rate of \$610.40. The remainder of the trip runs about \$9 a day or a total of \$143.88. The group rates for this 1st class tour are considerably lower than individual, touring rates even in lower classes, as may be determined by studying the prevailing prices at any travel agency.

March 3, 1962 the tour will depart from O'Hare field, and time is rapidly running out. Those who are interested in enjoying this Holiday In The Sun may fill out the information blank below, or call Joliet Travel and Tours Agency, SA 6-5279 or this newspaper and they will receive by return mail an illustrative folder and a descriptive letter about the tour plans.

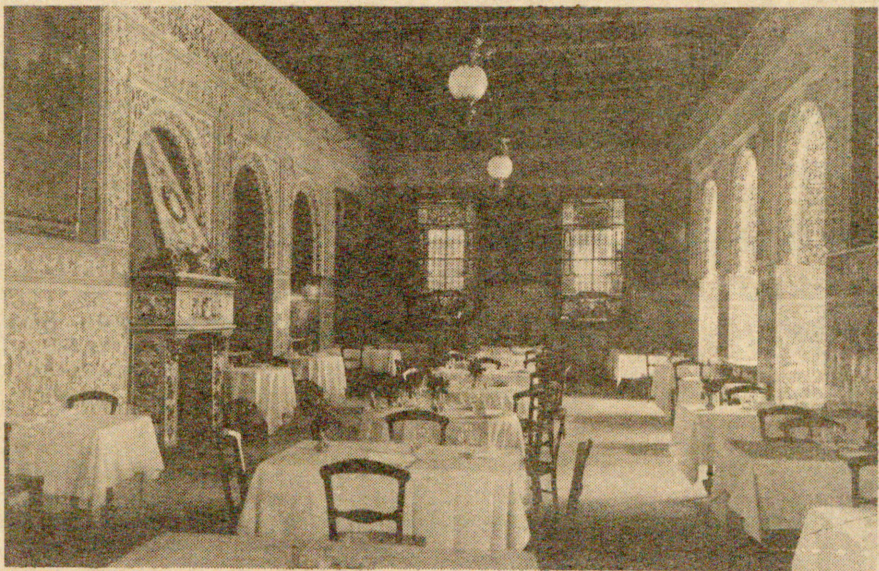

Those who wish to sign up for the tour now will receive a special "travel tips" booklet made up by TWA's tour office and filled with important information about what to take and how to take it on your trip to Europe. Many other valuable facts about traveling in Europe are also included.

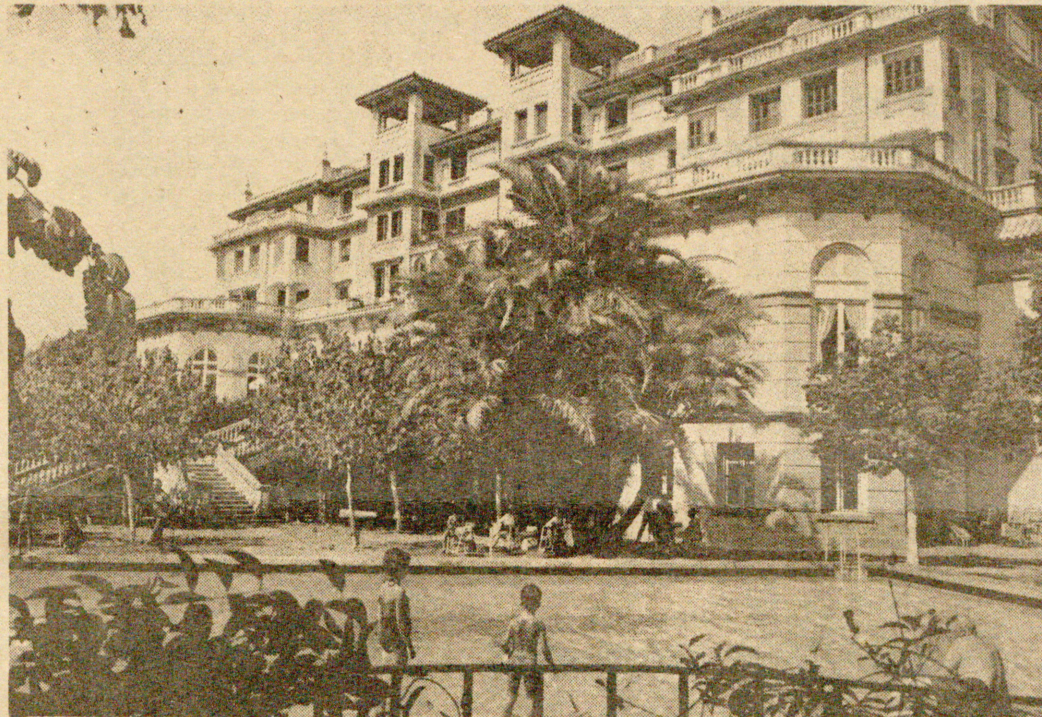

MOORISH AND MODERN--Many of the first class hotels in Spain are a blend of Moorish and in this instance, modern, architecture. This is the main lobby of the Hotel Nevada Palace in Granada, another important stop on the "Holiday In The Sun" tour of Spain Portugal and Tangier.

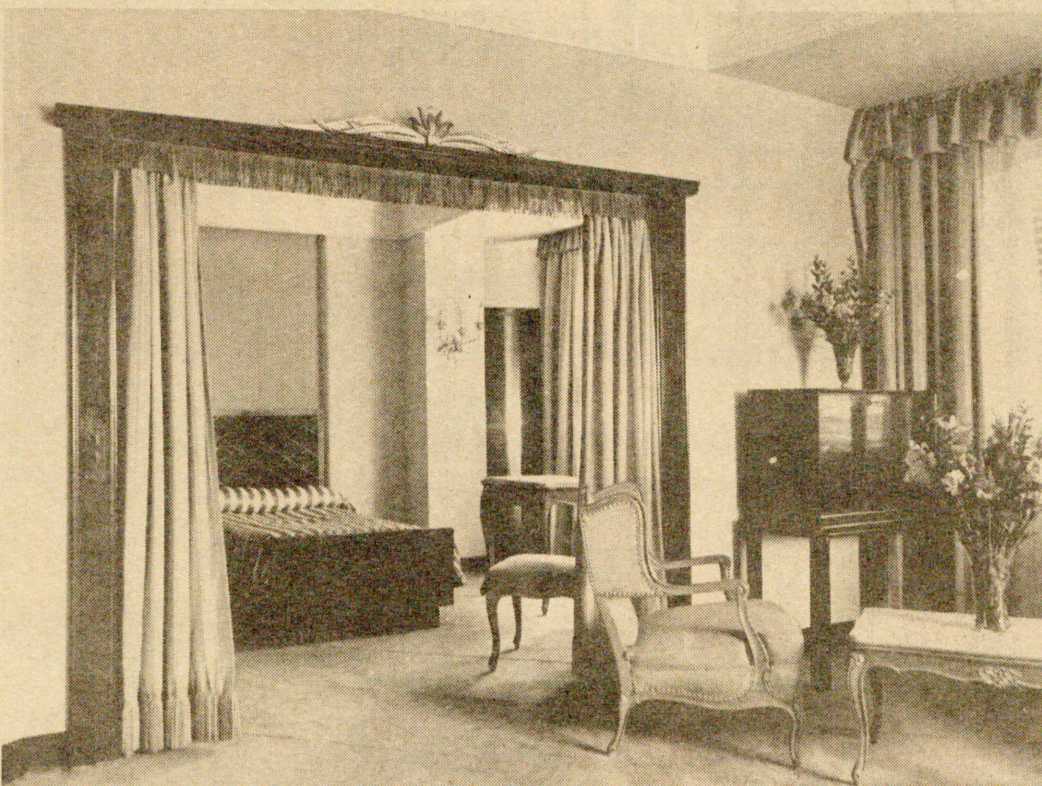

FORGET THE WINTER - During the 16 day "Holiday In The Sun" travelers will have an opportunity to enjoy eight of the days swimming in hotel pools like this one at the Hotel Plaza in Madrid or in the Atlantic Ocean.

OLD WORLD FLAVOR--The hotels on the "Holiday In The Sun" are first class and the food has an old world flavor, spiced with grandeur from the stately surroundings. Here is a fine example, the dining room of the Hotel Madrid in Seville.

ON THE SPANISH RIVIERA--The Hotel Miramar, one of the finest hotels on the Spanish Riviera, is one of those which will furnish accommodations and meals for Holiday In The Sun" tourists.

ELEGANT ROOMS--This room at the Hotel Plaza in Madrid is a typical example of the elegant facilities which the "Holiday In The Sun" tourists will enjoy on their 16 day tour. Every traveler will have a private room furnished with twin bed and private bath.

## COME ONE - COME ALL! NEW YEAR'S EVE PARTY

## Wilkins Approves Junior College For SW Area

A report of feasibility approving and urging the establishment of a junior college district covering several high school districts in South West Cook county, including a Will county district, has been mailed by George T. Wilkins, superintendent of public instruction, to Cook county School Superintendent Noble J. Puffer and to Will county School Superintendent Verne E. Crackel. Superintendent Wilkins' statement of feasibility is one of the steps required under a 1959 state law permitting establishment of a junior college district, and is the result of petitions filed recently asking for a referendum to form the junior college. Cook county School Superintendent Puffer is expected to announce the referendum date after holding a hearing on the petitions and after other legal requirements are met. The referendum probably will be in the spring. The proposed junior college district covers the following six Southwest Cook county districts, in addition to the one Will county district: Argo District 217, Blue Is-

land District 218, Reavis District 200, Sandburg Consolidated District 230, Oak Lawn District 229, Evergreen Park District 231, and Lincolnway District 210 in Will county. In the feasibility report by Superintendent Wilkins, he notes that the area has a very desirable assessed valuation which would provide a solid financial foundation for the new junior college. The present assessed valuation of the proposed district is \$650-million and is expected to increase to about \$2-billion by 1972. A study of the district indicates a student enrollment of about 2,000 in 1963 and 3,500 by 1972. Tax rates would not exceed 50-cents on each \$100 of assessed valuation for educational purposes, and would not exceed 10-cents on each \$100 of assessed valuation for land acquisition and building purposes. The new district would have legal authority to charge tuition of not more than 33 1/3 per cent per capita cost of each student. The junior college would be eligible for the state aid re-

imbursements. The state superintendent noted that the proposed district lies in part of the suburban area surrounding Chicago's loop which by 1970 will probably include more than 60 per cent of Illinois' total population. In the past decade, Cook county outside of Chicago increased in population by some 78 per cent. Wilkins said, "As existing college walls continue to burst at their seams, a network of junior college districts in Illinois is the state's number one education need." Illinois' chief school officer said that of the total unemployed early this year, 29 per cent were persons under 25 years of age. "This figure will rapidly increase as a result of expanding automation techniques in this space age. More and more of the labor market will join the ranks of the unemployable unemployed unless the schools of the state train these persons in new skills for industry or the service trades."

In addition to providing a quality program in the first two years of a regular baccalaureate program, a junior college similar to the one proposed for the area southwest of Chicago could provide a one or two year or even longer program of a terminal nature to provide the badly needed training in the post high school technical and vocational field. "This educational challenge is not now being met by existing public schools in Illinois," said Wilkins, "and the need will increase and the public awareness for the need will increase as educators in Cook and Will counties move to provide these educational opportunities."

The first public junior college in Illinois history similar

COUNTY'S FIRST TREE FARMERS -- Left to right: -- T. W. Peterson, assistant extension forester, University of Illinois, Urbana, presents the forest industry sponsored Tree Farm sign award to Mr. and Mrs. Everett Doede, Route 1, Lockport; Andy Wicklin, Will County Agent, of Joliet, (far right) also attended. The Doede pine plantation is being protected from grazing, fire insects, disease and will be harvested to insure repeated forest crops. (American Forest Products Industries-Photo)

to the Southwest Cook proposal was approved at the polls Dec. 5, as voters approved a referendum to establish the Black Hawk college for students of Moline, East Moline, Rock Island and Coal Valley.

Surveys are now underway to determine the feasibility of similar junior college districts in West Cook county and in North Suburban Cook and Lake counties. Surveys are expected in the following counties: Du Page, Kane, Effingham, McHenry, Knox, Warren and in others.

### Puritan Children Not Without Toys

While it is quite true that Christmas was just another winter day in early New England, Puritan children were not without toys.

It is quite likely that children in Puritan families received toys as awards for being good. Since there were no stores in which to buy toys, the father had to rely on his own ingenuity and imagination.

In most instances, toys were miniatures of furniture or other items familiar about the home, and were carefully whittled out

of wood.

Some interesting toys from the New England of a century and a half ago may still be seen at Old Sturbridge Village, Mass., a recreation of a typical town in this period of American history.

Included in the collection are such items as a doll bed, wheelbarrow, a slant-topped desk, and a tiny team of oxen drawing a sled.

The modern conception of Santa Claus is 99 per cent fictional and strictly American. But the spirit of generosity and thoughtfulness as typified by Santa Claus is very real, and it belongs to everyone.

HOLIDAY  
WISHES  
to all!

There's a joy  
in sending you  
Yule greetings.  
Best wishes to  
you and yours.

# How The Stocking Landed On The Christmas Mantlepiece

"and the stockings were hung by the chimney with care, in hopes that St. Nicholas soon would be there."

The words of Clement Clark Moore's immortal Christmas poem beautifully describe a custom American children have followed for 300 years.

How did it all start?

A doubtful legend ascribes it to a happy accident. One Christmas Eve, in the 4th century, the Bishop of Myra, a kindly churchman who came to be known as Santa Claus, stopped at the home of a poor merchant. The merchant had two lovely daughters of marrying age, but the girls had never been asked to wed because their father couldn't afford dowries. Taking pity on the family, the Bishop had decided to give them a Christmas gift—a bag of gold!

Climbing up to the roof of the merchant's house to avoid being seen, the Bishop of Myra dropped the bag of gold down the chimney and quite by accident, it fell into a stocking that had been hung on the mantle to dry.

If this WAS the first Christmas stocking, it was a patchwork affair of woolen shreds. The people of the day had little knowledge of the weaving and sewing arts. Most articles of clothing were merely wrapped around the body and pinned in place.

And oddly enough, stockings

were the LAST articles of apparel that man created and added to his wardrobe. Imagine going about on a December day—Christmas or not—without stockings!

In Britain, by the end of the 5th century, LEATHER stockings called "scinc-hose", meaning shank or leg guard, were the rage. These were worn by the Saxons except the Monks. Members of the Christian clergy were forbidden to celebrate mass—much less Christmas—in bare legs, but clerical garb had to be differentiated from that of the laity. The Saxon Monks became one of the first men to cut strips of fabric and SEW them to fit the leg.

In documents of the 11th century, modern historians get their first hint that the legend of the Christmas stocking is not based on fact. It's not until the 11th century that stockings had FEET! Did Santa go around dropping gifts into bottomless socks for 700 years?

It's more likely that the Christmas stocking custom was born between the 11th and 14th centuries. During this period, knights and merchants from northern Europe began traveling to and trading in the southern nation.

For centuries, the children of sunny Spain had been practicing a Christmas custom very similar to our stocking custom. Spanish lore teaches that the three Kings of the Orient pass through Spain each year on a very round-about route to Bethlehem where they pay annual tribute to the Christ child. On Epiphany Eve, the night of the journey, Spanish children fill

their shoes with straw for the travelers' horses and leave them outside. On Epiphany morning, the shoes are miraculously filled with gifts! The Spanish custom was probably brought back to the British Isles and translated into our Christmas stocking version.

By the 16th century, St. Nick's gifts were received in hosiery of pure silk. According to Exquisite Socks hosiery authorities, the style-conscious men and women of Europe in the 1500's wore ONLY silk stockings... even in winter. When cold Christmas weather came, they just donned several pair of hose at once!

The FIRST silk stockings made in Europe were lovingly knitted by a lady in waiting to Queen Elizabeth of England and presented to the queen as a Christmas gift! Elizabeth was so delighted, she declared she'd never wear anything but silk stockings... and the generous lady in waiting was fated to spend a good part of the rest of her life knitting!

Early Americans weren't as fashion conscious as their European forefathers. As a matter of fact, fancy dress was outlawed in Puritan Massachusetts where simplicity was a sign of morality. Any Puritan seen wearing stockings or any other apparel made with silk, lace, embroidery, or silver or gold thread had to forfeit the clothing!

On Christmas Eve in Colonial New England, only the plainest black or brown woolen stockings hung on the mantles, awaiting Santa's bounty. There is one similarity, however, be-

OLD TRADITION—It has been a tradition for many centuries to hang up a Christmas stocking for Santa Claus to fill. Here is a young celebrant who has a king-size stocking almost as big as he is.

tween the bright, decorative Christmas stockings of today and those of history—the delight in the eyes of the kids who empty them on Christmas morning!

## Ancients Decorated To Welcome Return Of Sun

Many believe that the Christmas tree custom may be traced to pagan celebrations of the winter solstice—the time when the sun ceases its seeming drift southward and begins moving back north.

The ancients knew great fear when the sun steadily moved away from them. They did not like the cold winds from the north the shorter days, the disappearance of wildlife and the bare, shriveled appearance of trees and plants.

Accordingly, they designed ceremonies to lure the sun back. When the sun responded, in the natural course of time, they joyfully decorated their homes with evergreens, mistletoe, holly and ivy in celebration of the fact that warm weather would soon return.

## Central "Y" Program Introduces New Leisure And Practical Courses

Central YMCA Learning for Living winter catalog, our today, adds another dozen lively arts including "Judo", and "Chess for Four" to the varied evening program available to adults at the loop center of informal adult education, 19 S. LaSalle St.

Registration starts immediately for the Learning for Living winter classes which begin on Jan. 22.

Over 260 courses are scheduled, including such favorites as "Social Dancing", "Bridge", "Chess", "Golf", "Modeling and Charm", "Millinery", "Playing the Classic Guitar", "Typing for Personal Use" and "Business Law".

Among courses offered for the first time will be "World Crisis and World Peace", "How to Study and Pass Exams", "Psychoanalysis and Society", "Understanding Your Child's Mathematics", "Human Side of Hospital Administration", "Art of Window Display", "Advertising Agency Copywriting", "Audio-Visuals in Business and Industry", and "Psychology of Personal Growth".

Most Learning for Living classes meet one evening a week for ten weeks.

A class in modeling and charm for teenage girls will be offered on Saturday mornings, as will some foreign language and painting courses.

Students of skiing will learn the fundamentals of the sport under direction of a Swiss professional at the new Four Lakes Resort, less than a half hour's distance from the loop. Tuition for this course will include instruction, tow rope fees and use of the facilities of Four Lakes on three class nights.

Several classes will enjoy the facilities of Chicago and environs. Students of "Chicago 6 to 8" will explore several industrial and cultural enterprises, "Enjoying Chicago Symphony" includes concert visits, "Food for Gourmets" classes dine at famous Chicago restaurants, and "Visiting the Theatre" is a discussion and play-going group.

Lab sessions in the electronic language laboratory will be offered to students of French, German, Italian, Japanese, Portuguese, Spanish, Russian, English for the foreign-born, and voice and diction. Permitting each student to work with microphone, earphones and communications panel in his own sound proof booth, the lab

sessions help students to correct errors and perfect speech. People who reserve space on the Highlight Tour of Europe, which leaves on May 18, will be entitled to free tuition to the "How to See Europe" course and half rates for language and photography courses.

For further information and free catalogs, see the registrar at Central YMCA, 19 S. LaSalle St., or call Central 6-8600.

Many towns and cities in the United States have names which reflect Christmas in one way or another.

Santa Claus, Indiana, Bethlehem, Conn., and Christmas, Fla., are the best known. Santa Claus and Christmas have sole claim to unusual postmarks but Bethlehem, Conn., shares "Bethlehem" with six other states.

Virginia and Missouri each boast a Noel; there is an Advent, W. Va., Kentucky has a Mary, and Oregon and Utah each have a Joseph.

At least one Wiseman is found in Alaska, another in Arkansas and, perhaps, a third in Wisemantown, Kentucky. West Virginia boasts of Goodwill and there is Joy in Illinois, Kentucky, Missouri, and Texas—as there must also be in Peace Valley, Missouri.

Kentucky, which has its share of Christmas names, also has a Mistletoe. Louisiana has Trees and you can find an Evergreen in six states.

## Airlines Promoting Shop In Europe Trip

In the way of an unusual pre-Christmas gift, KLM Royal Dutch Airlines seeks to popularize Christmas shopping Europe, suggesting that husbands send their wives to do Christmas shopping tax-free in Amsterdam, Holland.

Dramatic? Sure, says the airlines, "but it only costs \$359.60 round trip and since shopping seems to be one of the major loves of American women, why not?"

The airline spokesman says that things are cheaper in Europe and that a smart shopper can save enough money to pay for the trip.

## Merry Christmas

When the Yule star shines upon our town we hope it brings to all great happiness.
